

MISSION STATEMENT

The purpose of the Northside Alternative Elementary School is to provide a positive, disciplined educational setting for those Northside Elementary students whose disruptive and/or unacceptable behavior warrants removal from their home campus.

The Northside Alternative Elementary School offers a supervised, highly structured alternative to expulsion. Northside ISD academic and behavior standards are maintained and we utilize a Social Skills and Anger Management curriculum which includes Empathy, Impulse Control, and Problem Solving Skills to improve academic and school-wide behavior.

Our Vision

Through a positive attitude, open communication, and positive feedback, we will give all students the opportunity to learn and grow into socially appropriate, successful citizens.
