### **Big6 # 1: What is my task?**

I need to find out the travel paths (range and migratory patterns) of the Kemp's Ridley Sea Turtle and create an illustration of the migratory patterns. I also need to describe and illustrate where it makes its home.

Questions to help guide my research :

1. Where in the world does the Kemp's Ridley Sea Turtle travel?
2. When does this sea turtle travel and why?
3. Where does this sea turtle make its home?

### **Big6 # 2: Information-seeking Strategies**

What are the possible sources to find this information?

Internet web sites on the WebQuest

Print resources from the library (encyclopedias, nonfiction books)

Online resources from the library

### **Big6 # 3: Location and Access**

Where will I find these sources?

Library and TIPs Lab

Who can help me? Mrs. Miller, Librarian; Mrs. Magee, Campus Instructional Technologist; Classroom teachers

#### **Big6 # 4: Use of Information**

How will I record the information that I find?

Take notes using a Microsoft Office document  
Notebook paper

How will I give credit to my sources?

See Mrs. Miller's web page on citing your sources:  
([http://www.nisd.net/blattman/library/lib\\_citing\\_sources.htm](http://www.nisd.net/blattman/library/lib_citing_sources.htm))

#### **Big6 # 5: Synthesis**

What product will I create to show what I have learned?

I will draw the migratory patterns of the Kemp's Ridley Sea Turtles  
(you might use Inspiration software for this)

#### **Bi6 # 6 Evaluation** – how will I know I have done well?

1. I answered all of the questions in Step 1.
2. I followed directions in creating my product:

I created and labeled an illustration of the migratory patterns of the Kemp's Ridley Sea Turtle

I wrote down all books and web sites that I used to find out my information See Mrs. Miller's web page on citing your sources:
