

Resolution

Make Education a Priority

Whereas, the current Texas public school finance system is negatively affecting an increasing number of public school districts; and

Whereas, past diligent legislative efforts to address the state's method of adequately and equitably funding Texas schools has fallen short of broad measured success; and

Whereas, the legislative year of 2011 bears the attributes of repeating the 2009 legislative session's lack of reliable funding improvements;

Therefore, be it resolved that a responsible community of educational leaders with a united awareness respectfully empowers and supports our respected legislative representatives to act; and

Be it also resolved that in light of our current Texas economic challenges and the complexity of financing public education improvements in school funding be established with an attitude where education is found as the highest priority; and

Be it also resolved that this attitude begins within the leadership of Texas school districts and together, we respectfully share one unified message to all involved: Make Education a Priority.

The Northside Independent School District Board of Trustees respectfully acknowledges, applauds and joins the priority efforts to protect the pursuit of quality education for all children.

Adopted this 28th day of September, 2010

M'Lissa M. Chumbley, President
Board of Trustees

John M. Folks, Ed.D.
Superintendent
