## SHOW YOUR MUSTANG PRIDE! THANKSGIVING BREAK

There will be NO SCHOOL November 23-27. Students will return to school on November 30. Enjoy the time off!

### REPORT CARDS

Report Cards went home Friday, October 30, 2009. Please go over the report card with your child. The bottom portion will need to be signed. Please return the bottom portion in the report card envelope ASAP.

### Parent TAKS Kits

There are now new Book Bags in the library that are ready for parents to check out. The counseling department put together 2 per grade level. One deals with stress and anxiety and the other deals with anger and how to handle it. Each book bag contains books to read with your children as well as books that give parents tips on how to help their children cope with these issues. There are also DVD's to share as a family.

### Parents Needed

**Do you have 15 minutes during the day?**

**Do you like helping students learn to read?**

**We are in need of parents who would be willing to help our K-2nd grade students with their reading. We would like you to help them practice their letters, sounds and sight words in a short 15 minutes session once or twice a week.**

**If you're interested please contact Melissa Lopez VP 397-1450**

### BOX TOPS

Please remember to be saving those Box Tops and bring them into the school. The school receives 10¢ for every Box Top submitted. The money is used to buy great new things for the school that help students!!

### RECYCLE

Student Council is collecting you old phonebooks. Please help them by sending in your old phonebooks. There is a big box in the front of the school by the restrooms. They will be collecting them till Nov. 30th.

There is a brilliant child locked inside every student.  
-- Marva Collins

### Beware of Pets

We have had several dogs on our grounds in the morning, they are following the students to school. Please remind your students to make sure their dogs do not follow them and if they see a dog on campus they should not approach or try to pet them. Dogs found on the school grounds are referred to Animal Control to be picked up.

### LOST and FOUND

Since the beginning of school, the lost and found has begun to fill up. Please have your child check the lost and found for missing clothes, lunch bags, etc. Please remember to write your child's name on coats and jackets. The lost and found is located in the cafeteria.

### EARLY RELEASE

Remember that November 6th is scheduled as an Early Release day at school. Students will go home the same way that they did as noted on the parent release form from the first early release day. If they are going home a different way you must notify the teacher in writing.

### Boone School Store

Parents and students we have opened a school store. The store will be selling school supplies and spirit items. The store is open on Tuesday and Thursday mornings before school. The items we currently have in stock are \$2.00 or less. New items will be added throughout the school year so come check it out.
