

**Top 10 Reasons
to Become a
Statistician**

Reason #10

We are right 95%
of the time.

Reason #9

No one wants our jobs.

Reason #8

We are honestly significantly different.

Reason #7

We never have to say we are certain.

Reason #6

We may not be normal, but we are transformable.

Reason #5

We can legally comment on someone's posterior distribution.

Reason #4

Statisticians do it discretely and continuously.

Reason #3

We are "mean" lovers.

Reason #2

We feel
complete and sufficient.

Reason #1

Deviation is considered
normal and expected.
