

NISD 2008-09 NORTHSIDE ISD SECONDARY TUTOR LIST

Northside ISD Division of Instruction compiles a list of prospective tutors as a service to parents and students. All tutoring applicants are placed on the list. NISD principals may be contacted for information about NISD teachers. References are available for those tutors on the list who are non-employee. Tutoring clients are encouraged to pursue references before engaging a tutor. Being on the list is not to be considered a district endorsement or recommendation.
