

Northside Independent School District Online Payment System

The Northside Independent School District has expanded the Online Payment System to include 91 campuses.

PaySchools, a secure online pre-payment system, lets you put money into your student's account anytime, anywhere by electronic (e-check) or credit card.

EASY STEPS TO ENROLL:

1. Go to the NISD Parent Connection website at <http://www.nisd.net/parentconnection/>
2. First time users:
Click the "New Users Tour" link and choose the applicable school.
3. To make a payment:
Click the "Make a Payment" link and choose your corresponding school.

****Ensure your pop-up blocker is disabled before choosing a school****

Please NOTE: All online payments made before 12 midnight, may not be posted to the child's lunch account at the school the next business day. In addition, balances online may not reflect payments or charges made within the last 24 hours. However, immediate balances can be obtained by calling the school's cafeteria. There is a transaction fee applied to use this service.
