This project is a Major Grade – (like a test grade).

### ASSIGNMENT

You are the owner of a travel agency. Your travel agency will handle all of the travel accommodations for a group of students vacationing in the country chosen. You will create a **brochure** of the Spanish-speaking country chosen to inform the students and their parents. You present all of the following information in English in order to teach your country to the class. At the end, include 4 sentences in Spanish about your country. The sentences must be memorized and in the PRETERITE TENSE.

1. Choose your country and your partner if you want to work with someone.
2. Do or collect your research. Don't forget to write down the information for your bibliography! You need at least 3 sources:  
Internet sources, travel agency,  
or one airline.
3. Name your own travel agency.
4. Include the cost of airfare (round trip ticket) per person and also the name of the airline.
5. Include the cost of hotel accommodation with the name of the hotel and the name of the city.
6. Copy a map of your country. Include four important cities and the capital of your country.
7. Copy the present-day flag of your country.
8. Also include favorite food dishes, currency and exchange rates, and three tourist attraction spots or points of interest to visit.
