NORTHSIDE INDEPENDENT SCHOOL DISTRICT

PARENTAL PERMISSION FORM FOR WEB PUBLISHING

Dear Parents:

The Internet is a vast and rapidly growing worldwide network of computers. No individual or group runs the Internet, rather, it is a collective effort of thousands of information providers such as schools, governments, nonprofit groups, commercial groups, and individuals. Internet users now number in the hundreds of millions.

All of Northside Independent School District's campuses are able to use the Internet's rich resources, and also publish information on the Internet. As part of the curriculum, the school may wish to publish a variety of student products on the Internet. The types of products may include, but are not limited to: creative writing, artwork, slide and audio/visual presentations produced by the students and their teachers.

We will not publish student grades, test scores, last names, home addresses, phone numbers, or other information protected by federal regulations.

Your permission is needed for any of the following to appear on a Northside campus webpage:

- Child's work
- Child's first name
- Inclusion of your child in a digital image or video clip (group setting only)

Please be sure to read the **NORTHSIDE INDEPENDENT SCHOOL DISTRICT ADMINISTRATIVE REGULATION FOR ACCEPTABLE USE** which can be found in the Student-Parent Handbook. This regulation addresses the District's policies and guidelines on web publication restrictions and privacy of minors in further detail.

Please sign and return the below portion of this form. If you have any questions or concerns, please contact the Campus Instructional Technologist (CIT) or Campus Webmaster at your child's school.
