Principal's Postings

Dear Parents,

The end of the year is upon us and I want to spend some time to thank everyone for all the support they have provided Ed Cody Elementary this school year. We have had a tremendous school year which could not be possible without the help of all the parents and community partners. We appreciate all you do!!!

I am also very pleased with our preliminary TAKS results. Our Ed Cody students continue to shine. The scores we have received are as follows:

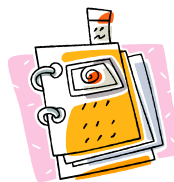

Reading
 3rd Grade -93% passing
 5th Grade - 89% passing
 Math
 5th grade - 80% passing

Even though the school year is almost over, we still have a lot of learning that still needs to take place. I encourage parents to ensure that students still go to bed at a reasonable hour, continue practice reading and doing their homework. We have a lot of fun activities planned for the end of the year so please make sure to mark your calendars for these important dates. Have a great month of May!!!

Sincerely,

Mrs. Johnson

If you need to relay a message to you child's teacher please make sure you let them know before the bell rings or you can always send them a note or an email. As always you can also contact them during their assigned conference period.
