

## Extra Credit Assignment – Categories and Contrasts of Type Poster

1. Use a digital camera to take pictures of 5 different signs around town that illustrate various categories and contrasts of type. If you do not have a camera, you may check one out for a limited time from me.
2. Crop, resize, and/or enhance the pictures as needed. Print the pictures out on paper. The minimum size of an image should be ½ sheet of paper but no larger than 1 sheet of paper.
3. Arrange and adhere the pictures to a piece of poster board.
4. Identify on the poster board the categories and contrasts of type used in the sign.
5. Create and place an appropriate title for the poster board. Write your first and last name on the **BACK** of the poster board.
6. This extra credit assignment will count as a test grade so neatness and accuracy is imperative. This assignment also needs to be completed outside of Multimedia class. Turn in this assignment by **Monday, November 12** to receive full credit.
