BACKGROUND RESEARCH

Library Research Days..... **TBA**

Annotated Bibliography Due (HW)..... **THU 2/13/03**

List the bibliographical information and a brief description of each source. A minimum of 5 sources with no more than one pure Internet source is required.

Rough Draft Due (1/2 LAB)..... **FRI 2/21/03**

You will be peer editing each other's papers in class.

Revised Draft Due (TEST)..... **FRI 2/28/03**

I will read this draft of your paper, which should include revisions made based on the suggestions you received during the peer editing process. The final draft of this paper will be incorporated into your Research Report.

EXPERIMENT

Protocol Papers Due (1/2 LAB)..... **WED 3/5/03**

Submit the applicable ISEF protocol papers for your project including the Research Plan Attachment. This attachment includes your problem statement, hypothesis, procedure, and background research bibliography. Keep these papers to submit with your Research Report.

Data Collection **3/6/03 – 4/24/02**

You may not begin data collection until your protocol papers have been approved! Keep a detailed Data Notebook and take photographs to document your experiment. April 24th is a suggested ending date. It leave 2 weeks (including TAKS & AP Exams) to write the report.

Progress Check (1/2 LAB)..... **4/7/03 – 4/11/03**

You will schedule a brief interview with Mrs. Johannesson during this week to discuss your progress. Having failed to start data collection by this time will result in a zero.
