

RECOMMENDED SCHOOL SUPPLIES

All students need the following supplies:

- 1. one 2” three ring binder, white notebook paper,**
- 2. several #2 pencils**
- 3. highlighters**
- 4. blue or black pens (preferably erasable), red pens, eraser, a pencil pouch for the binder**
- 5. Connally planner (\$4)**
- 6. two sets of five plain dividers, and**
- 7. one set of eight pocket dividers*.**

NOTE: Items listed above may need to be replenished throughout the school year.

*** Dividers are usually sold in packages of 5 to 8 dividers. (The POCKET dividers are available at Target and office supply stores; the Connally Library will also sell a package of 8 pocket dividers for \$2.25—our cost from the vendor.)**

During the first week of school, individual teachers will provide the students with a list of more specific needs. We suggest that you wait until that time to purchase any other materials such as folders, spiral notebooks, etc. For students’ safety, white out (liquid paper), PERMANENT markers, paint pens, and fountain/cartridge pens are not allowed for student use.
