WHAT IS BIZWORLD?

BizWorld Foundation programs engage students using hands-on applications designed to reinforce basic academics while showing students the importance of money management and business principals.

OUR VISION

A world where children are given the tools they need to pursue their dreams, and are thereby inspired to become financially responsible, contributing members of society.

OUR MISSION

To challenge and engage students across the cultural and economic spectrum through experiential learning programs that teach the basics of business, entrepreneurship, and money management and promote teamwork and leadership in the classroom.

OUR PROGRAMS

BizWorld – Business and Money Management

Students work in teams to start and run their own small businesses in a simulated friendship bracelet industry. Taking on different leadership roles, students learn the basics of business and money management as they apply for jobs, and design, manufacture, market and sell their products in the BizWorld marketplace.

BizWiz – Saving and Investing

In this real world simulation, students play the roles of analysts, controllers and brokers to learn the basics of saving and investing. Working in teams, students set financial goals, analyze forecasts, create a diversified portfolio, track their investments, allocate assets and trade.

BIZWORLD'S REACH TO DATE:

BizWorld programs have reached over **150, 000 kids** in all **50 states**.

BizWorld programs can be found in **84 countries** around the world.
