

# Northside Independent School District

## DEPARTMENT OF HUMAN RESOURCES

JOB POSTING NUMBER: P1109113

### JOB ANNOUNCEMENT

### CAMPUS INSTRUCTIONAL TECHNOLOGIST

### Colonies North Elementary School

**Closing Date: November 23, 2009**

#### JOB DESCRIPTION

The Campus Instructional Technologist shall, under the joint supervision of the Campus Principal and the Director of Academic Technology Services, ensure that technology is carefully and appropriately integrated into the content areas. The Campus Instructional Technologist will work with teachers and students to achieve integration between technology and content objectives and providing planning, professional development and support to accomplish this goal. Approximately half of the CIT's time will be devoted to technology integration lessons with students (large or small group, demonstration, co-teaching, or mentoring).

#### EDUCATION AND CERTIFICATION REQUIREMENTS

- Bachelor's Degree with a valid Texas Teaching Certificate
- Five years classroom teaching experience, preferably at level of campus posting
- Three years experience integrating technology into instruction
- External candidate must have satisfactory outcome of fingerprinting check. Non-refundable fee (approximately \$50.00) paid by employee

#### DUTIES AND RESPONSIBILITIES

1. Meet with campus administrative staff and instructional specialists (content and technology) to determine curriculum/technology integration needs at the campus and develop a plan of action to achieve integration.
2. Meet with Academic Technology Coordinators and other Campus Instructional Technologists for the purpose of curriculum planning, collaboration, idea sharing, professional development, and other necessary support.
3. Assist teachers in developing interdisciplinary projects that contain a technology strand, which supports current content objectives.
4. Assist teachers in integrating technology tools that support content objectives in all content areas.
5. Model teaching strategies in the classroom and computer labs with students which integrate technology and content objectives.
6. Make connections between current education research, student learning styles, curriculum content objectives and technology tools.
7. Be responsible for required record keeping and preparation of reports and documents required by the Academic Technology Services.
8. Serve as campus webmaster in development and maintenance of the campus website.
9. Provide and/or attend technology professional development, assist in district curriculum writing, during extended days.
10. Perform other duties as assigned.

#### WORKING CONDITIONS

##### **Mental Demands / Physical Demands / Environmental Demands**

Maintain emotional control under stress. Frequent standing, stooping, bending, pulling and pushing. Move small stacks of textbooks, media equipment, desks, and other classroom equipment.
