

Dear Parents/Guardians,

One of the courses your son/daughter is taking this year is Spanish. In order to meet the standard requirements for the Texas Essential Knowledge and Skills for languages other than English, I will be integrating video/video segments into my instruction. Video is an ideal medium for providing authentic input needed to increase proficiency in Spanish. Both informative and entertaining, videos can provide rich visual clues to aid comprehension and motivate students to learn more.

In order for your son/daughter to benefit from this tool, your permission is required. Films or segments of film used in the classroom will have a rating of G, PG, and PG-13 and will be based on education value and content.

Your signature on this form constitutes your consent to permit your son/daughter to view the videos that will be presented in our Spanish class this year. If you have questions or concerns regarding this policy, you may contact me by calling 397-2700 or email me at e043540@nisd.net.
