

### HOSPITALITY

Members of this committee help promote a feeling of friendliness and caring at LSE. They are responsible for coordinating, decorating, and serving three teacher/staff luncheons each year.

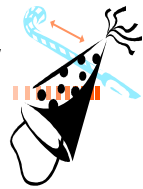

### WELCOME COMMITTEE

These volunteers are responsible for hosting parent coffees and parent enrichment seminars. They also provide welcome packets to families that are new to the LSE area.

These volunteers prepare quarterly birthday celebrations for the teachers/ staff and take care of non-teachers during the yearly special appreciation days (like custodian week, nurses ' day, etc. ).

### BENEVOLENCE

This committee organizes projects that benefit LSE students and families in need of assistance. These include school supplies, the coat drive in the fall and the Giving Tree in December. During these projects, they collect toys, non-perishable food, and clothing. Volunteers also coordinate parent involvement when a tragedy, like a fire or death, occurs.

**A FRIENDLY PLACE**
