

# Stay Connected!!!

Parent Connection makes it easier for you stay aware of how your kids are doing in school. You can check on grades, attendance, and tardies. All you need is a computer with internet connection and an email account.

- Go to [www.nisd.net/parent-connection](http://www.nisd.net/parent-connection)
- Click **Create a new account**

- Fill out the form completely.
  - Type a username
  - Type a password twice
  - Type your full name
  - Type your address

A screenshot of the Parent Connection registration form. The form is divided into several sections. The first section contains fields for 'Username:', 'Password:', and 'Confirm Password:'. The second section contains fields for 'Your First Name:', 'Your Last Name:', 'Your Address:', 'Address 2:', 'City:', 'State:' (with a dropdown menu set to 'Texas'), and 'Zip:'. The third section contains fields for 'Primary Phone:' and 'Alternate Phone:'. The fourth section is titled 'Email Addresses' and contains a message: 'Please click the button below to add an email address to this account. You must have at least one email address to use Parent Connection.' Below this message is an 'Add Email' button. Arrows from the text in the previous block point to the corresponding fields in the form.

- Click **Add Email**
  - You must have a valid email account to use Parent Connection.
- Fill in your email address.
- Put a check in **I agree** box.
- Click Sign Up
- You will be sent a verification code. Put that code in the window that pops up. Once it is sent you will see a link that says **Add Student to My Account**
- Fill in the Student ID for your child. This may be given to you at your child's school. You must be present to get it. It will not be given out over the phone.
- Select the campus name.
- Type the PIN number for your child. The PIN# is the first four letters of your child's last name and the last four digits of their Social Security number. If there isn't a Social Security number use the State issued ID number.
- Then click **Submit**.
