

LEOPARD NEWS

VOLUME 1, ISSUE 2 OCTOBER 2009

PRINCIPAL'S SPOT

I hope your family has had a great start to the 2009-2010 school year. We are well on our way to a fantastic year. I attribute this to the collaborative efforts of an enthusiastic staff, supportive community and eager students!

Health concerns related to the H1N1 virus continue to make headlines. At Lewis, we continue to be proactive by keeping healthy habits at the forefront of students' attention and communicating with families of children who are ill.

We will be having a series of "Keeping Well" segments on our morning announcements. This will include reminders to wash hands, sneeze properly to contain germs, and cover mouth when coughing.

With written parent permission, H1N1 flu vaccinations will be provided free of charge to Northside students on their home campuses sometime before the winter break. Details will be provided as they become available. Our district and campus are carefully planning to ensure a smooth process for those who choose to participate. Up-to-date information will be shared through notes sent home and the district/campus websites.

At this time, **WE DO NOT KNOW THE DATES OF THE IMMUNIZATIONS.** We will let you know as soon as the district gives us this information. We do not have any additional information other than what I have given you in these last few paragraphs. You will be the first to know when we get details.

We want to thank our school nurse, Cheri Dolloff, R.N. "Nurse Cheri" has been involved in promoting healthy habits for our staff and students. We are thankful to have her expertise, care, and compassion for our children!

Thank you to the entire Lewis community for your continued support of our children.

BLE-THE PLACE TO BE!!!

Lynda DeMasco

Principal

*Join Us ~
Coffee With
the Principal
Friday, Oct. 9th*

Jazzy Fest ~ Oct. 17th

12:00PM-4:00PM

Fun ~ Food ~ Family
