

Self Assessment Questions How Did You Do?

Have students place their fingers on number 1, 2, or 3 and ask the following questions, then have them color or place an 'X' on the box (smile face, straight face or sad face) that they feel best applies to their participation in the project.

- 1) Are you happy with what you learned?**
- 2) Do you think you were a good group member?**
- 3) Do you think your buddies learned from what you shared?**
