

The Northside Learning Tree is an after school enrichment program. The Learning Tree is funded by Title 1 Stimulus Fund grant which allows us to provide services to our families free of charge. All Linton students in grades Kinder-5<sup>th</sup> are eligible and registration is conducted

each August on an application process. Enrollment applications are taken all year long and are put on a waiting list until there is a spot available. We require that all students enrolled attend on a daily basis and stay until the program ends at 5:15 PM.
