

2009-2010 Reflections Program

We are now accepting entries for the 2009-2010 Reflections Program.

Deadline for submitting entries is November 6, 2009.

The goal of the Reflections program is participation, not winning. Although the program follows a contest format, winning is not the emphasis. All children have the ability to create a work of art through visual arts, photography, literature and music composition, etc. This program allows for children to use their imaginations through experimenting and feeling good about their artistic expression. Give your child the chance to let their imagination run and express themselves! This will give your child a chance and opportunity to create works of art for fun and recognition.

Students may submit entries in:

Literature 📖 Visual Arts 🎨 Photography 📷 Music 🎵 Dance Choreography 🎭

Entries should be and original work by the student reflecting this year's theme "BEAUTY IS..." It must be produced by the student. No limitations on entries per a student.

Get all the forms and info. you need at www.ptareflections.org

No Internet access at home? Forms will be available in the school's flyer boxes located right outside the school's front office doors, or please send a note to your child's teacher and I will have one sent home in their weekly take home folder.
