

The Power of Three presents a three part series for parents...

Part 1: Full and Individual Evaluation (FIE)

February 4, 2010

Discussion centered around the Full and Individual Evaluation. Guest speakers Dr. Rita Villalpando, Licensed Specialist in School Psychology; Patty Brannon, Coordinator for Speech Services; Terrence Bernard, Coordinator for OT/PT for Northside.

Part 2: Standards Based IEP Development

February 11, 2010

Clarification of the Standards Based IEP and how it is developed. Guest speakers Marcy Warren, Assistant Director of Special Education, Compliance and Shirley Medghalchi, Assistant Director of Special Education, Instruction.

Part 3: Northside Continuum of Services

February 18, 2010

The continuum of service options provided in Northside, ages 3-21, will be discussed by various coordinators.

****All sessions will be held at the Garcia Middle School Library from 6:30-8:30 PM. The Power of Three is a collaborative effort with community advocates and NISD special education staff whose goal is to build relations with advocates, families, and Northside administrators.***

Please plan to attend all three sessions. Each session will contain a presentation and an open panel discussion. If special accommodations are needed (interpreters, special access, etc.) please let us know when you register.

Please Register by Thursday, January 25, 2010 to Kaye Farmer 397-8743.

Child care provided by reservation. See attached form.

Light meal will be provided by Brighton Center.
