

Join the Virginia Myers PTA!

Joining the PTA gives you a voice in your child's education! As a member, you are more likely to be an involved and informed parent, and provide your child with a greater chance of achievement in school. Membership is open to parents, grandparents, and any other family member willing to be involved in a child's education. Membership dues are **\$5.00** per person and, along with other school fundraisers, helps support programs for both student and parents. When you sign up to become a part of Virginia Myers PTA, you also become a member of the Texas PTA, and National PTA. So sign up today!

Please print the membership form below, fill-out the requested information, and have your child turn it into his/her teacher along with the \$5.00 per person membership dues. Please make checks payable to Myers PTA. A separate form is needed per person.
