

Volunteer Opportunities

Volunteers are vital in making programs at your child's school a success. With your help, we can provide a great educational experience for the students! If you are interested in volunteering for one or multiple opportunities, please let us know. If you haven't already, print and fill out the [Parent Volunteer Recruitment Form](#), and have your child turn it into his/her teacher. Or you can contact one of the two Vice Presidents of Volunteers. Their email addresses can be found on the [PTA Board Contact List](#) page. There is no obligation now. We will send you further detailed information as each volunteer opportunity arises. All volunteers must fill out a [criminal background check](#), before participating in any event or volunteer opportunity.
