

700's Non-Fiction (Non-Fiction)

Arts and Recreation

Reading/Writing Connection

- _____ Complete the NON-FICTION HELPERS handout for your non-fiction book.
- _____ Use the IT'S YOUR TURN TO ASK THE QUESTIONS handout and create questions about the topic of your book.
- _____ Demonstrate to your teacher or to your class something you have created from the information you gained from reading this book. (examples: a craft you made, an origami you learned how to do, a recipe you made, an instrument you learned to play) Show the book you read and tell the title and author.
- _____ Create a collage related to your topic by cutting out pictures and words from magazines, newspapers, or brochures.

Technology Connection

- _____ Using the PUZZLE MAKER site, create a crossword puzzle with at least 10 important words about this topic which you chose from your book.
- _____ Using pictures you have taken with a digital camera, images from the Internet, or scanned pictures, create a picture collage of your book's topic. The pictures can be presented using Microsoft Word, Power Point, or by creating a physical collage with pictures cut and pasted.
- _____ Using Microsoft Word or KidPix, create a pamphlet or brochure showing how to play, perform, or explain your topic. Use colorful fonts and graphics when designing your pamphlet.
