

900's Geography and History

(Non-Fiction)

Reading/Writing Connection

- _____ Complete the MY OPINION handout for your book.
- _____ Create at least 5 questions about the information in this book. Write the page number where you found the answer for each question. Include the title and author of your book.
- _____ Would you rather live in the setting of this book (the time and the place) or where you live now? Why?
- _____ Make a list of at least 5 important words/people/places used in this book. Now make a question for which each of your chosen words is the answer.
- _____ Pretend you are visiting or living in the setting of your book. Make a picture POSTCARD and send it to a friend. Tell things you would see, hear, and smell; describe activities that are taking place. Draw a picture of the place on the back side.

Technology Connection

- _____ Create a DIAMANTE POEM which would include some of the information and/or feelings you gained from this book.
- _____ Using INSPIRATION, create a graphic map of the information you gained from this book. Use color and graphics to make it more interesting.
- _____ Use the PUZZLE MAKER to create a Crossword puzzle with at least 10 important words from your book.
