

Northside Independent School District Online Payment System

The Northside Independent School District has expanded the Online Payment System to include 37 campuses.

PaySchools, a secure online pre-payment system, lets you put money into your student's account anytime, anywhere by electronic (e-check) or credit card.

Please NOTE: All online payments made before 12 midnight, will be posted to the child's lunch account at the school the next business day. In addition, balances online may not reflect payments or charges made within the last 24 hours. However, immediate balances can be obtained by calling the school's cafeteria.
