

John M. Folks, Ed.D.  
Superintendent

August, 2003

Dear Parents and Students:

Welcome to all returning students and to those who are new to Northside in 2003-2004.

We believe that students can make responsible decisions regarding their behavior when they understand the rules and the consequences of violating them. Students, we ask that you read the Code of Student Conduct carefully, and that you participate attentively during presentations on this topic at school. If you need help, ask for it before a problem arises. Parents, since your support is critical to success at school, we ask you to read the Code and counsel with your children about its importance. By working together, we can keep our energy focused upon our primary goal: student learning.

The Board fully endorses and supports the Discipline Management Plan and Code of Student Conduct set forth in this handbook!

Please sign and return the notice in the back of this book. If you have any questions about discipline policies, you may contact your school or the District's Office of Pupil Personnel at 706-8695.

Thank you for your support.

Northside Independent School District does not discriminate on the basis of race, religion, color, national origin, sex, or disability in providing education or providing access to benefits of education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; Section 504 of the Rehabilitation Act of 1973, as amended; and Title II of the Americans with Disabilities Act.

One of Northside School District's main priorities is to provide learning environments that are safe and orderly. This is a challenge that the Northside schools cannot do by themselves. Help must come from parents, students, staff and community members. That is why we have **Safeline (706-SAFE)**. Safeline is a 24-hour phone line where anyone may anonymously leave information that will help keep schools safe. Please discuss with your child why it is important to share information that will help keep schools safe.
