Fax: (210) 257-1335

Dear Raba Parents,  
We are implementing some changes in our parent drop off practices in the morning.

First of all I am asking that our staff leave the middle rows of parking in the main lot to parents and visitors. This should eliminate the need for ANY vehicle to park in an unmarked area. Please do not pull up to the curb or any unmarked space in the parking lot.

Second, I am requesting for student safety that parents who are dropping off students only do so in the parent drop off circle. Do not drop off students in the parking lot. If you wish to park and escort your children to the crosswalk, that is fine.

Please help us assure the safety of every child. These practices will be especially helpful with coming time changes and morning darkness.

Andy Kline  
Principal  
Carl and Bunny Jean Raba Elementary School
