

Delivery Items

To help reduce the number of classroom interruptions, the office staff will only be able to deliver keys, glasses, lunches, or lunch money. Any other items may be left at the front office for your child to pick up during passing period. We will **not** deliver homework, assignments, books, binders, or articles of clothing, nor will a message be sent stating that these items have been left in the front office. If you leave an item for your child, please label it with your child's full name and grade level.

Meals

Students may eat lunch in the cafeteria or bring their lunch from home. Parents wishing to bring their child lunch may do so for their child **only**. Bringing lunch for other students or groups is not permitted.

Parents are welcome to eat lunch with their child. Please make sure to sign in the front office first and get a visitor's badge. Other siblings wishing to eat lunch with a student **must** be accompanied by a parent.

If you would like to add money to your child's lunch account, please sign in at the main office to get a visitor's pass. You may then go down to the cafeteria to visit with a cafeteria staff member.

If your child has received a lunch voucher, please pay back the money to the front office as this is a separate account than the one in the cafeteria. All money should be paid back within five (5) school days. Until money is paid back additional vouchers will not be given.
