

ED RAWLINSON MIDDLE SCHOOL

Nancy Peña, Principal Lisa Richard, Vice Principal Ryan Richter, Asst. Principal Jill Hackney, Academic Dean

Dear RMS Parent(s) and/or Guardian(s),

Our Superintendent, Dr. John Folks, has stated that "Northside is a leader in instructional technology. We need to make sure students are prepared to be successful in the 21st century." At Rawlinson Middle School we concur with his message and want to give you and your child the most up to date information regarding the use of personal student laptops in our district and at our campus.

"This is a big opportunity for students who wish to stay connected to the Internet to do their class work and take advantage of the digital resources available," said Kelly Smith, Assistant Superintendent for Technology Services. Two years ago, the personal student laptop initiative was successfully piloted at Brandeis High School and Vale Middle School.

The laptop initiative is one of many programs the District has in place to make sure students and staff maximize the use of technology. On the attached page, you will find some items that will be essential to know should you wish to send a laptop with your child to school.

If you are interested in obtaining laptop approval, please fill out the form below and turn it into the front office in order to sign your child up. Every child will go through an approval process, involving the Principal and the CIT.

Should you have any questions or concerns, please do not hesitate to let us know.

Sincerely,

Nancy Peña, Principal

Request for Personal Laptop Authorization

Directions: Complete and return this form to the front office to start the personal laptop approval process.
