

H1N1 flu vaccines will be given at Rudder Middle School this Friday, December 4th. Consent forms will be coming home Monday, November 30th. The consent form must be signed by the parent or guardian and returned by Wednesday, December 2nd if you want your child to receive the vaccine on Friday here at Rudder. If we do NOT have the consent form returned, your child will NOT receive the vaccine. Only vaccines will be given, no nasal flu mist will be administered. If you have any questions, you can call our nurse, Sabrena in the clinic at 397-5009. Thank you for helping to keep our kids healthy here at Rudder!
