Elementary CMA and MENTOR Training

- ♥ Beginning with the 2007-2008 school year, the NISD RED WAGON Induction Program began to require Mentors to be trained once every three years. Campus Mentoring Advisors must attend training every year. Registration will open in ERO in the next few weeks.
- ♥ If you served as a RED WAGON Mentor during the 2007-2008 or 2008-2009 school year you do not need to attend training for the 2009-2010 school year. If not, a Mentor Training Schedule is listed below for registration. Should you have any questions **Elementary RED WAGON Mentor Training**, please call Jennifer West at 397-7907.
- ♥ All Campus Principals will receive a list of trained mentors who will not require RED WAGON Mentor Training for the 2009-2010 school year.
