

**TamboFUNction™ DRUMMING
For Individuals with Special Needs**

A FUN AND FUNCTIONAL RHYTHMIC ADVENTURE!

Class Description

Drumming can be used for recreational music making and as a tool for learning functional skills. Your instructor, Jorge Ochoa, has been working as an Occupational Therapist with individuals having special needs and has been a musician for over 20 years. He will address the following skills utilizing drums and percussion: focus and attention, taking turns, following directions, creative self expression/ self-esteem, teamwork, color identification, stop/start, tempo, volume, and communication reinforcement. There is no prior musical experience needed and all instruments will be provided. Instructor can be contacted at tamborhythms@yahoo.com or 210-289-7100 (www.tamborhythms.com).
