Teens through Young Adults

Social Skills Dinner Group

Individuals with High-functioning Autism, Asperger's, or Similar
Developmental Difficulties

Local Restaurants 6:30 - 8:00 Wednesdays

Groups start September 9th - December 8th

No session the week of Thanksgiving

Tuesday Sessions instead of Wednesdays: Oct. 27th and Dec. 1st

Group Features:

Designed for those who are good at talking about topics of interest to them, but are lacking in more reciprocal conversation. The sessions will focus on individual needs within a group setting.

Activities include conversation turn taking, perspective taking, problem solving, shared focus through sharing a meal, games, and more.

Group Facilitator:

Sharon Neill (Formerly Beasley), a Social Skills Consultant and Special Education Teacher, has worked with special needs individuals of all ages in school, home, camp, vocational, and social settings for over 15 years.

Education: Texas Tech University; University of Texas at San Antonio

B.S. Human Development and Family Studies

M.A. Curriculum and Instruction with Emphasis in Special Education

Semester session fee includes the initial consultation, email and phone contact, and a social outing for all participants. Meals paid by individuals \$35 per session for a total of \$455 paid by the first session

My rates have increased, but we'll call it "Sharon's Stimulus Plan" and stick to \$35 for one more semester ☺

To schedule a consultation to determine if this group is a good fit, please
