Dear Sir/Madam:

The Stevens High School Class of 2010 is looking forward to holding another fabulous Project Graduation Celebration on June 8, 2010!

Project Graduation is a safe alternative to graduation night partying. It keeps our young men and women safe by offering an alcohol free, drug free environment in which to celebrate this important milestone. Graduation night is one of the highest fatality nights for our kids; therefore, we put a lot of emphasis on attendance at Project Graduation in order to keep them safe.

In order to have a successful Project Graduation 2010, we are renting a private facility. We will provide transportation and a night filled with food, games, music, prizes, and fun for our graduates. We hope to provide scholarships so that every student will have the opportunity to attend. Your support would be greatly appreciated. If your organization or company can either provide a service, monetary donation and/or item donation(s), it would most definitely help our cause. Additionally, we are seeking individuals and organizations willing to underwrite some portion of this event. We need to raise \$18,000 - \$20,000 to make this project a success.

We would like to ask for your support in making this special event a reality for our graduating seniors. If you believe you can contribute, please mail your monetary donation to:

If you would like us to pick up your donation, please contact Tricia Hulin at (210) 679-7260.

Should you have any questions regarding this event, please do not hesitate to contact us at the above number.

We hope you feel this is an important opportunity to support our students on their graduation night. Thank you in advance for your consideration in helping this monumental occasion to be a safe and memorable event!

Sincerely,

Tricia Hulin
