

## Welcome to Stevenson's Read 180 Classroom!!!

Read 180 is a powerful research based intervention program proven to boost the reading skills of older students reading below grade level.

The program utilizes 4 separate components on a weekly basis.

- Instructional Reading: One-on one with the teacher instructing
- Independent Reading: Books with computer quizzes  
Reading for Understanding Leveled Kit
- Computer Time: Leveled CD Program including  
Comprehension, Vocabulary, and Fluency
- Audio Books: Leveled Audio Cassette Read Along Books

Students rotate through the stations once a week. They work at their individual SRI (Lexile levels) and meet with the teacher on Friday's for Evaluative Conferences. Students also read and write Responses for Regular Reading Classes in the form of Reading Logs. Mrs. Longoria signs off on them.
