

# The Technology Puzzle: Putting it all Together!

**Academic Technology** invites Northside Administrators to be our guests and receive a quick "ed tech" update:

- ~ What are the **State and Federal Requirements** for Technology Integration?
- ~ What are the **Research Findings** about the Impact of Technology Integration in the Classroom?
- ~ How is Northside Handling K-12 Technology Applications **Literacy Skills** Instruction?
- ~ How are **Technology Integration Projects** in the K-12 Classroom **Supporting Learning** in Core and Enrichment Curricular Areas?

Check your calendar for **November 1st** - and plan to join us for either a **morning breakfast session** - or an **afternoon lunch session** at **Northside Learning Center!**
