

TECHNOLOGY TRAINING & DEVELOPMENT

September/October 2008 EVENING TRAINING

Join us at **NLC** for after school technology training.
You will:

- learn about animation with **Flash**.
- create your own movies with **MovieMaker**.
- master data manipulation with **Excel**.
- develop the skills needed to create a database with **Access**.
- learn the basics of creating a web page with **Dreamweaver**.

Registration available in ERO or by calling 397-8126.
Classes are open to ALL NISD Employees!
