Summer Reading List for Honors, Advanced Placement or Dual Credit English Earl Warren High School Summer 2009

Students enrolled in English Pre-AP and AP courses at Warren High School are required to complete the summer reading as specified by the level they will enter in August 2009. The summer requirement offers an opportunity for enrichment. Summer reading is an integral part of the Advanced Placement academic program and a vehicle for beginning a rich, academic program for the first days of school. Students may purchase their own books or check books out from a library. **All summer reading must be completed before school begins, and students are responsible for completing all written assignments within the first week of school.** Students are encouraged to read the text thoroughly in order to complete an in-class essay. All written assignments will be posted on our department web page. If you have any questions, please contact Beatriz Mora at 397-4200, ext. 3224, or at beatrizmora@nisd.net.
