

Pre-Algebra Year At-A-Glance

Pre-Algebra Year At-A-Glance											
1			2				3				
Intro to Mathematical Thinking			Number Concepts								
4			5				6				
Number Concepts			Algebraic Reasoning								
7			8				9				
Extending Proportionality											
10			11				12				
Extending Proportionality											
13			14				15				
Extending Proportionality											
16			17				18				
Data Representations							Connecting Geometry & Algebra				
19			20				21				
Connecting Geometry & Algebra											
22			23				24				
Connecting Geometry & Algebra											
25			26				27				
Connecting Geometry & Algebra			Coordinate and Transformational Geometry								
28											
Coordinate and Transformational Geometry							Financial Literacy				
31			32				33				
Financial Literacy			Financial Literacy				Financial Literacy				
34			35				36				
Foundations			Foundations				Foundations				
37											
Foundations
