

Clark English I and II Advanced Summer Reading 2022-2023

Welcome to Advanced Academics!

Reading is one of the best things you can do to prepare yourself for the challenges of the upcoming school year. Enjoying a good book will help expand your vocabulary, deepen critical thinking, and enhance focus and imagination. Equally important, reading is the very best way to strengthen your writing skills!

As a Clark Advanced English student, we ask that you read at least one novel of **your choice** this summer. There is no other assignment than to read and be ready to discuss your book when school starts.

Remember, you can pick whichever book you wish to read - it does not have to be on the list below. The following titles are included just to give you some ideas. They are books that are popular in the library, award winners, or recommended by teachers. **We always encourage you to do some research or speak with your parents before selecting a title.**

You can check out digital books on Sora, Libby, and Overdrive through your school library.
Happy Reading!
