## ROOTED IN TRADITION, GROWING OUR LEGACY

### Mustangs,

WHAT RE-MARBACH-ABLE YEAR AT 7611 AS WE CELEBRATE OUR MUSTANGS. WE ALSO WANT TO THANK MS. CRISTINA AGUILAR AND MRS. MARISOL ROCA FOR AN AMAZING SAT MEETING ON WEDNESDAY EVENING. THIS WAS A VERY WELL-ORGANIZED EVENT FOR OUR FAMILIES. A WHOLE CLASSROOM WAS FILLED WITH PARENTS AND COMMUNITY MEMBERS LEARNING ENGLISH AS THEY WERE ALL SPANISH SPEAKERS. AT THE SAME TIME, THESE LADIES COULD ADDRESS OTHER FAMILIES WHO CAME TO LEARN HOW THE SCHOOL CAN SUPPORT THEM AND THEIR STUDENTS. OUR FAMILIES HAVE SO MANY OPPORTUNITIES WITH THE WORK OF OUR FAMILY LIAISON, MRS. ROCA. THE BEST PART OF IT WAS THE TEAMWORK THAT WE WERE ABLE TO WITNESS. THIS IS AN AMAZING WAY FOR US TO COMMUNICATE WITH OUR COMMUNITY REMOVING THE LANGUAGE BARRIER. THANK YOU LADIES FOR YOUR PERSISTENCE IN REACHING ALL OUR MUSTANGS AND THE COMMUNITY.

SO MANY EVENTS GOING ON, AND WE HOPE YOU MAKE IT TO AN EVENT. WE PARTICIPATED IN THE UIL ORCHESTRA, BOY'S BASKETBALL REGIONAL QUARTERFINALS, SOFTBALL GAMES, BASEBALL GAMES, SOCCER GAMES, TENNIS, TRACK, AND COMING SOON, OUR UIL ONE-ACT PLAY. WE HOPE YOU CAN JOIN US AT THE JOHN JAY SCIENCE AND ENGINEERING STEAMFEST. IT IS FREE AND SO MUCH FUN. HOPE TO SEE YOU AT ONE OR MULTIPLE EVENTS. HAVE A GREAT WEEK MUSTANGS!

## Dress Code

### *MUSTANGS*

*dress for  
success*

- Crop Tops, spaghetti straps, midriff tops or tops that are too revealing will be prohibited.
- Shorts and skirts must not be shorter than 4 inches above the knee.
- Jeans are not to have large holes above the knees.

At JJHS we recognize the importance of individuality with regard to dress; however, the learning environment needs to be free of disruptions and distractions that dress code violations cause.

Students will be expected to follow the dress code guidelines set forth by the district. In an effort to promote a safe and positive school environment which is conducive to learning, our Mustangs should wear APPROPRIATE clothing that will not cause disruptions in learning or safety.

The dress code will be strictly enforced. The administration of the school has final authority on all matters relating to the dress code. All students violating the dress code may be given clothing to change into or be given the opportunity to request clothing from home from their guardian.

Students violating the dress code will be issued a discipline. Repeat dress code offenders are subject to further disciplinary action.

**“ONE TEAM, ONE DREAM. WE ARE MUSTANGS.”**

# Attendance Information

Student attendance not only affects credits (graduation), it also affects:

- Obtaining a VOE (Verification of Enrollment) needed to attend Driver's Education classes & to take the driver's test for a driver's license.
- Students wanting to attend school-sponsored dances including prom must be in good academic standing, to include grades, attendance, and discipline, as per the John Jay Student Handbook.

---

## Checking Out students from the school

If a parent/guardian needs to pick up their student early from school for an appointment or any other reason. A parent/guardian will need to come to the attendance office in person to sign out their child. The student will then be called to the office by the attendance secretary. Please remember that students will not be released to any person other than the parent/guardian noted on their emergency contact list and must present a valid ID.

Please do not call or text your student during class time.

Any questions or concerns please contact the attendance office at 210-397-2700.

# Attendance Information

## ATTENDANCE Matters

every school day counts.

**Texas Compulsory Attendance Law**  
Students must attend class 90% of the school year

**Unexcused & Excused Absences**  
ALL absences count! Students who have more than 17 (year long course) total or 7 Fall/10 Spring absences are at risk of failing. Parent/Guardians may also be issued a municipal court warning and possibly pay a fine.

**Medical Appointments**  
ALL absences count! Students who have more than 17 (year long course) total or 7 Fall/10 Spring absences are at risk of failing. Parent/Guardians may also be issued a municipal court warning and possibly pay a fine.

**Why do I need to send a note?**  
If a student's attendance case is sent to court, a committee will take into consideration how many absences were excused and unexcused.

**High School Credits**  
Students who have not been in attendance for 90% of each class will not earn credits for the affected courses. In this case, please speak to the counselor or administrator about attendance recovery as soon as possible.

**Communication**  
If your child is ill and will be out of school for more than 1 day, please inform the Attendance Secretaries. They should be your first line of communication.

**Special Circumstances**  
Every student's situation is different. If there are barriers keeping your student from being at school, reach out to the Attendance Office.

## ATTENDANCE Matters

every school day counts.

**Ley de Asistencia Obligatoria de Texas**  
Los estudiantes deben asistir a clase el 90% del año escolar.

**Ausencias injustificada y justificadas**  
¡TODAS las ausencias cuentan! Los estudiantes que tienen más de 17 ausencias totales corren el riesgo de reprobar. Los padres/tutores también pueden recibir una advertencia de la corte municipal y posiblemente pagar una multa.

**Citas Médicas**  
Las citas deben ser al comienzo o al final del día escolar para que se cuenten como SALUD y no como una ausencia. Si el estudiante está fuera todo el día, está ausente.

**¿Por qué necesito enviar una nota?**  
Si el caso de asistencia de un estudiante se envía a la corte, un comité tomará en consideración cuántas ausencias fueron justificadas e injustificadas.

**Créditos de la escuela secundaria**  
Los estudiantes que no hayan asistido el 90% de cada clase no obtendrán créditos por los cursos afectados. En este caso, hable con un consejero o administrador sobre la recuperación de la asistencia lo antes posible.

**Comunicación**  
Si su hijo está enfermo y estará fuera de la escuela por más de 1 día, informe a la oficina de Asistencia. Deben ser su primera línea de comunicación.

**Circunstancias especiales**  
La situación de cada estudiante es diferente. Si hay barreras que impiden que su estudiante asista a la escuela, comuníquese con una secretaria de asistencia.

## Medical & Court Appointments

**Tip**

If a student is out for a doctors appointment, a doctor's note needs to be provided to the attendance office.

For a student who has a medical or court appointment during school hours and submits a note to the attendance office, the classes missed will not be considered an absence.

## STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

### COMMON LANGUAGE

The Standard Response Protocol utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

### HOLD

"In Your Room or Area. Clear the Halls."

Students are trained to:

- Clear the hallways and remain in their room or area until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

### SECURE

"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

### LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

### EVACUATE

"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to take anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults

### SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults

## STANDARD RESPONSE PROTOCOL PARENT GUIDANCE

### SECURE

"Get Inside. Lock outside doors"

Secure was formerly called Modified Lockdown, and the actions are the same. It is called when there's something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a Secure condition is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

### LOCKDOWN

"Locks, Lights, Out of Sight"

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

### SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

### SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

### WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unannounced drills, however it is highly discouraged to conduct one without announcing that it is a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

A drill is used to create the "muscle memory" associated with a practiced action. There is no simulation of an event, simply performing the action.
