INTRODUCTORY SECTION

January 24, 2023

Ms. Karen Freeman, President
Members of the Board of School Trustees
Northside Independent School District
San Antonio, Texas

Dear Ms. Freeman and Board Members:

The Texas Education Code requires that all school districts file and publish a complete set of financial statements with the Texas Education Agency ("TEA") within 150 days of the close of each fiscal year. The financial statements must be presented in conformity with accounting principles generally accepted in the United States of America. The financial statements must be audited by a firm of licensed certified public accountants in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Pursuant to these requirements, we hereby issue the Annual Financial Report (AFR) of the Northside Independent School District ("District" or "Northside") for the year ended August 31, 2022.

This report consists of management's representations concerning the financial condition and operations of the District. Accordingly, management assumes full responsibility for the completeness and reliability of all of the information presented in this report. To provide a reasonable basis for making these representations, management of the District has established a comprehensive internal control framework that is designed both to help protect the District's assets from loss, theft, or misuse and to compile sufficient reliable information for the presentation of the District's financial statements in conformity with accounting principles generally accepted in the United States of America. Because the cost of internal controls should not outweigh their benefits, the District's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement.

Weaver and Tidwell, L.L.P., a firm of licensed certified public accountants, has audited the financial statements of the District. The goal of the independent audit was to provide reasonable assurance that the financial statements of the District for the fiscal year ended August 31, 2022 are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the basic financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall basic financial statement presentation. The independent auditor concluded, based upon the audit, that there was reasonable basis for rendering an unmodified opinion that the District's basic financial statements for the fiscal year ended August 31, 2022 are fairly presented in conformity with accounting principles generally accepted in the United States of America. The independent auditors' report is presented as the first component of the financial section of this report.

The independent audit of the basic financial statements of the District was part of a broader, federally mandated "Single Audit" designed to meet the special needs of federal grantor agencies. The standards governing Single Audit engagements require the independent auditor to report not only on the fair presentation of the basic financial statements, but also on the audited government's internal controls and compliance with legal requirements, with emphasis on the administration of federal awards. These reports are presented as part of the ACFR's Federal Awards Section. Findings associated with the Single Audit will be found in the Schedule of Findings and Questioned Costs along with a Corrective Action Plan from District Management.

The Governmental Accounting Standards Board (GASB) requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of the Management's Discussion and Analysis ("MD&A"). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The District's MD&A can be found immediately following the Independent Auditor's Report.

DISTRICT PROFILE

Established in 1949 by the consolidation of 12 rural schools, today, the District is the fourth largest school system in Texas. The District is located in the rapidly growing northwest quadrant of Bexar County and includes portions of Medina and Banderita counties and the City of San Antonio. The District includes 355 square miles of urban landscape, suburban growth, and rural Texas hill country.

Northside enrollment is 102,709 students for 2022-23. The District prides itself on its diversity. Student demographics for 2021-22 are: 68.41% Hispanic, 16.13% White, 6.91% African American, 3.92% Asian, 0.17% Native Hawaiian/Other Pacific Islander, 0.13% Native American, and 4.34% of two or more races. About 54.1% of students are considered economically disadvantaged.

Residents of the District elect members of the Board of Trustees to four-year terms from each of seven single-member districts. The Trustee seats are up for election on a rotating basis on the second Saturday in May. Vacancies may be filled by appointment until the next election. Trustees annually elect Board officers, including President, Vice President, and Secretary. The Trustees serve the citizens of San Antonio's largest school system without compensation.

The District provides a full range of educational services for grade levels Pre-K through 12, in addition to educational programs that begin at infancy for some children and extend through age 22 for others. These programs include regular and enriched academic education, special education for students with disabilities, occupational and vocational education, bilingual instruction for students with limited English proficiency, and specialized instruction for economically disadvantaged students.

Academically talented students may seek challenges in, pre-Advanced Placement, Advanced Placement, and dual credit courses in English, Mathematics, Social Studies, and Science and other subjects in grades 6-12. In addition, students may study five different foreign languages. The District provides programs for gifted students in a variety of settings in grades K-12 that focus on the development of higher-level and cognitive thinking skills.

- The District offers three middle school and eight high school magnet programs that provide specialized curricula and career-oriented classes for students. The high school programs include Communication Arts High School, Construction Careers Academy, Health Careers High School, John Jay Science and Engineering Academy, Marshall Law and Medical Services Magnet School, the Northside School of Innovation, Technology, Entrepreneurship (NSITE) High School, Agriculture Science and Technology Academy, and the CAST Teach High School. The district opened its first middle school magnet program, the STEM-focused Jones Magnet School in 2020, the second middle school magnet, Zachry Magnet School, in 2021, and the third, Hobby middle school program concentrating on Career and Technical Education courses.

In addition, the District is committed to life-long education and offers one of the largest adult and community education programs in Bexar County, as well as numerous outreach programs for students in special circumstances (i.e., teenage mothers, at-risk students, dropouts, and the homeless). More than 18,000 people are served by the Adult and Community Education Department, which also offers career advancement and Learning Tree after school care programs, and operates one of the largest summer education programs in San Antonio.

District Accomplishments

- More than 7,400 students received diplomas in June 2022 at 12 graduation ceremonies. The Class of 2022 earned \$186.5 million in college scholarships and 56,471 hours of college credit.
- Northside teachers and administrators are consistently recognized at local, state, and national levels. James Veninga was awarded the Outstanding Teaching of the Humanities Award from Humanities Texas, Elena Chambers, a teacher at Sotomayor high school, was awarded Teacher of the Year by ESC Region 20 Languages other than English, Msgt. George Hickman, was awarded Outstanding Instructor of the Year by the Department of the Air Force Air and Training Command, Elizabeth Sanchez-Lopez, Assistant Director of Fine Arts has received the Texas Dance Educators Association Hall of Fame award, Fatima Aboueisha, science teach at Brandeis high school was selected as state finalist in the 2021 Presidential Awards for Excellence in Mathematics and Science Teaching, William Lee, Latin teacher at Clark high school was named Teacher of the Year by the Texas Foreign Language Association, Jacquie Porter, special education teacher, was named Teacher of the Year by the Texas Association for the Education of Young Children, Mandy

Clarson, art teacher at Harlan high school was named Teacher of the Year by the Texas Art Education Association, Lou Medina, principal at Stinson middle school, was named Principal of the Year by the Texas Association of Secondary School Principals, Robert Harris, principal at Harlan high school was name Region 20 High School Principal of the Year by the Texas Association of Secondary School Principals, and Deborah Ruel-Schaefer, the Director of Career and Technical Education was selected the 2021 Outstanding Administrator by the Family and Consumer Sciences Education.

Innovative Initiatives

- All eighty-one elementary schools offered STEM Labs in the 2021-2022 school year. They're staffed by certified teachers and serve all students on each campus on a rotating basis, similar to music, art, and physical education.
- In the fall of 2022, 13,522 juniors took the PSAT for free during the school day at their home campus.
- Northside ISD is committed to ensuring high-levels of teaching and learning and is focused on the continued use of Professional Learning Communities district-wide.

Community Support

- Since 1995, voters have approved almost \$5 billion in bonds to build new schools and make improvements to existing schools. In May 2022, Northside voters approved a \$992 million election, making it the ninth consecutive bond election voters have passed. Sixty-seven percent of the District's \$992 million bond authorization will fund improvements to existing schools.
- The Northside Education Foundation (Foundation) was created in 1995. The mission of the Foundation is to foster community involvement in innovative educational programs by generating and disbursing funds and other resources to provide enrichment for students of the Northside Independent School District. Since its inception, NEF has awarded more than \$10 million in grants to district educators. The Foundation has been recognized as one of the Top 50 Education Foundations in the nation and has an endowment of \$6.05 million.
- The Adult and Community Education Department, which offers various classes to the community which also includes career advancement and Learning Tree after school care programs. During 2022, it served more than 18,000 participants, in addition, it operates one of the largest summer education programs in San Antonio. In the summer of 2022, in-person youth summer camps were offered serving a reduced number of students. The Learning Tree After School program is serving approximately half of the students serviced pre-COVID.

Financial Stewardship

- The District is average in local tax commitment, above average in percent of budget devoted to instruction, and among the lowest in administrative cost-per student.
- The District has one of the lowest tax rates among Bexar County's 19 school districts. With the passage of House Bill 3 in the 2019 legislative session, state revenue for the District increased and the M&O rate for the District decreased 7 cents. Even with the issuance of new debt, the District did not increase the I&S tax rate.

OUR MISSION

The Northside Independent School District and our community will provide innovative, high-quality, diverse learning experiences for all students in an ever-changing world.

OUR BELIEFS

- We believe public education is a bridge to creating productive members of society.
- We believe every individual is entitled to an emotionally and physically safe and respectful learning environment.
- We believe each student deserves equal and equitable access to a quality education.
- We believe a commitment to student success is a shared responsibility among students, parents, educators, and the community.

- We believe students learn best when they are active participants in their own learning.
- We believe the more connected families are in the educational process, the more successful students will be.
- We believe meaningful relationships among parents, educators, and the community foster student success.
- We believe core academics, the arts, career & technology, electives, and extracurricular activities are crucial to a well-rounded education.
- We believe schools create conditions that prepare students to be critical thinkers and problem solvers.

FACTORS AFFECTING FINANCIAL CONDITION

The information presented in the financial statements is best understood when it is considered from the broader perspective of the specific environment within which the District operates.

Introduction

The District is located in the heart of a rapidly growing area in Bexar County. The District's appeal to families is due to factors such as excellent teachers, strong academics, and outstanding extracurricular programs. The District facilities provide functionality with aesthetically pleasing facades. As a family-friendly District, our emphasis is on children and families. The District also places great emphasis on a high quality work force and an employee-family culture.

Population

There are an estimated 686,000 people residing in the District and about 238,000 households. Enrollment in the District has been steadily growing since the 1990s, and recent trends show a stable enrollment around 102,377. Northside is the largest of 16 school districts in Bexar County.

San Antonio is the 7th largest city in the United States and boasts one of the fastest growing metropolitan areas. Bexar County population exceeded 1.7 million in the 2010 census, representing a 23% increase since 2000. This growth rate is also typical for the District and has resulted in opening more than 40 new schools in the last fifteen years.

Local Economy

The local economy prior to the pandemic remained strong with growth in major areas of the City's high growth business sectors. The area economy maintained a history of in the aerospace, bioscience/healthcare, energy, information technology and manufacturing sectors. This growth had enabled unemployment rates in the area to remain below the state and national levels. Unemployment rates during the pandemic have increased but began to uptick near the end of the District's fiscal year and trended above the national average.

Altogether, an estimated 9,200 large and small businesses are located in the District, including economic generators such as the South Texas Medical Center, which is home to dozens of hospitals, Valero Energy, USAA Texas based financial services organization, and Microsoft Corporation, the District's largest taxpayer. Entertainment destinations, SeaWorld and Fiesta Texas, help draw tourists and residents to Northwest San Antonio.

The Westover Hills development includes major corporations like QVC, Citicorp, The American Funds Group, and Chase Manhattan. Ingram Park Mall, one of the area's largest shopping malls, with 1.1 million square feet, the sprawling and upscale Shops at La Cantera, and other major shopping centers are all located within the District. In addition, The Rim is a massive entertainment and shopping destination that brings thousands of visitors to the District and is still expanding. Northside's major taxpayer resorts include the Hyatt Regency Hill Country Resort, The Eilan Hotel Resort and Spa, Hyatt Wild Oak Ranch, and La Cantera Hill Country Resort.

In addition to the 150 schools and facilities the District operates, northwest Bexar County is a higher education and research center magnet. The University of Texas at San Antonio, home to more than 34,000 undergraduate, graduate, and post-graduate students, is located in Northside. The University of Texas Health Science Center at San Antonio, with its medical, dental, nursing, and allied health schools, is also located in the District, as well as Northwest Vista College, part of the Alamo Community College District. Other large enterprises located within the District are the Southwest Research Institute, National Security Agency and the Texas Research Park.

Access

The District has an excellent transportation system, with many major roads and highways traversing through it. Interstate Highway 10, which is the major east-west interstate highway in the southern United States, runs through the District. State Highway 151, which is a 10-mile, 4-lane, divided highway, also runs through the District. Both these highways provide quick access to Interstate Loop 410 and Texas State Highway Loop 1604 and link downtown San Antonio to the Northwest part of Bexar County. The Highway 151-Loop 1604 area is where most of the new housing within the District is being constructed.

THE REPORTING ENTITY

Northside Independent School District is an independent reporting entity clearly within the criteria established in Section 2100 of the Governmental Accounting Standards Board codification.

Internal and Budgetary Controls

The development and evaluation of the District's accounting system considers the adequacy of the internal control structure. The internal control structure is designed to provide reasonable, but not absolute, assurance regarding the safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of controls should not exceed the benefits expected to be derived, and that the evaluation of costs and benefits requires estimates and judgments by management.

We believe that the District's accounting controls provide reasonable assurance that errors or irregularities that could be material to the financial statements are prevented or would be detected within a timely period by employees in the normal course of performing their assigned functions.

Budgetary controls are established by regulations of the Texas Education Agency and by District policy for all administrators with line item responsibility. TEA regulations set the level of budgetary control at the major functional expenditure level. Administrators have the responsibility to develop and manage their own program budgets once approved. Revisions within the categories are accepted upon request, but additions in amount or revisions between functions require recommendation of the Superintendent and approval by the Board of Trustees.

General Educational Functions

Principally, local taxes and state entitlements support general educational activities. Direct federal aid is nominal in the General Fund; however, the Special Revenue Fund receives most of its funding from Federal grants, which are distributed through the Texas Education Agency. General educational activities are accounted for in the General and Special Revenue Funds. State and federal grants or entitlements primarily support the Special Revenue Fund. They include support for the economically and academically disadvantaged, federal support for special and vocational education, and a variety of other projects as described in the Combining Statements.

Cash Management

The District's cash position is reviewed daily and all idle cash is invested in accordance with the District's investment policy. The District's investment officers invest primarily in U.S. Government agency notes and local government investment pools. Total investments at August 31, 2022 were \$837,575,346 and the average yield on investments was 0.12%. Yields on investments remain favorable compared to the three-month Treasury bill rate.

The District's investment policy is to protect principal and minimize credit and market risks while maintaining a competitive yield on its portfolio. Accordingly, deposits were either insured by federal depository insurance or collateralized. All collateral pledged to the District was held in the District's name by the Federal Reserve in Boston, Massachusetts. Wells Fargo Securities holds investments owned by the District.

Risk Management

The purpose of Risk Management is to plan for the negative consequences of any decision, process, or action by using whatever means feasible to control the chance of financial loss. Effective risk management is a critical component of any sound organization. Every dollar spent on property damage, on-the-job injuries, liability claims, and insurance premiums is a dollar not spent for school district services.

The objectives of risk management are to:

1. ensure that District assets are protected and managed appropriately;
2. identify situations that may create liability and financial burden upon the District;
3. implement effective procedures to minimize and/or avoid loss exposures;
4. act as a resource and service center for all District employees.

The District also maintains a self-funded worker's compensation program, property and casualty exposures and coverage, safety training and inspection program.

Worker's Compensation Program

The District provides all employees with worker's compensation coverage for injuries that occur in the course and scope of employment. Although the District is self-insured for this exposure, a third party administrator discharges the claims function of this program. The District also purchases excess worker's compensation coverage through a commercial insurer in order to protect the District's fund from catastrophic losses.

Property and Casualty Coverage

Commercial property and casualty policy (P&C) is purchased by the District to provide fire and extended coverage of all District permanent structures and their contents. Other P&C exposures insured are Boiler & Machinery, Underground Storage Tank Liability, Crime Coverage, Errors & Omissions Coverage, and numerous Fidelity Bonds. The District maintains self-insurance for Commercial Automobile Liability.

Safety Program

The District provides regular training to various campus personnel and employee groups throughout the District. Specific or targeted training is provided on the basis of need and at periodic intervals throughout the year. In addition, the use of inspections has allowed the District to identify unsafe acts or conditions, make necessary changes and prevent loss situations from occurring to others.

Northside Employee Benefits

Northside makes an array of benefits available through a Section 125 Cafeteria Plan to all regular employees who work 20 hours or more per week. Participation in the Cafeteria Plan allows for certain benefits to be deducted from the employee's pay with tax-deferred money. Northside retirees are eligible for dental and vision benefits outside of the Section 125 Cafeteria Plan. The District subsidizes premiums for active employees based on the coverage tier selected (i.e., employee only, employee and spouse, employee and children, employee and family). The District does not subsidize retiree benefits.

Health Insurance Program

The District offers its employees a suite of health benefit plans fully insured by UnitedHealthCare. A traditional PPO plan, an EPO plan, an HMO plan, and three high deductible plans are available. Employees who elect health coverage are also provided a \$5,000 life insurance policy. Employees who do not elect health insurance are provided a \$50,000 or \$80,000 life insurance policy.

Supplemental Employee Benefits

Other benefits offered are voluntary and supplemental in nature. The participant pays the total cost of these insurances. The supplemental benefits include dental, vision, employee/spouse/child term life, cancer, and critical illness insurance, as well as disability/income replacement, pre-paid legal, medical/dependent care, and health spending accounts.

Fiscal Strategic Planning

The District continues to be proactive in its strategic fiscal planning by requesting input from community members and staff. The priorities of the Strategic Plan focus on promoting community involvement; educating diverse learners; hiring, developing, and retaining quality staff; and promoting a safe environment for the students and staff.

Awards and Acknowledgments

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Northside for the fiscal year ending August 31, 2021. This was the thirtieth consecutive year the District has received this award. In order to receive a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized annual comprehensive financial report. This report must satisfy accounting principles generally accepted in the United States as well as applicable legal requirements.

A Certificate of Achievement is valid for a period of only one year. We believe our current annual comprehensive financial report continues to meet the Certificate of Achievement program's requirements, and we are submitting it to GFOA to determine its eligibility for another certificate.

Senate Bill 218 of the 77th Texas Legislature (2001) authorized the implementation of the Financial Integrity Rating System of Texas, officially known as Schools FIRST. This law requires each school district to prepare and distribute an annual financial management report and provide the public an opportunity to comment on the report at a public meeting. The primary goal of Schools FIRST is to improve the management of a school district's financial resources.

For eighteen in a row, the District earned a "Superior Achievement" rating from the TEA. This is the highest possible rating under the Schools FIRST accountability system. Beginning in 2014-15, the TEA modified the ratings to a point system with a maximum of 100 points and a "Superior" rating for achieving a minimum of 90 points. In the latest FIRST report presented to the public in October 2022 for 2020-21, the District earned a "Superior" rating with a score of 96 points.

The timely preparation of this report could not have been accomplished without the assistance of the following departments: Resource Planning, Communications, and Business and Finance. We would like to acknowledge our independent auditors, Weaver and Tidwell, L.L.P., for their role in providing professional guidance and assistance in the preparation of this report.

Finally, without the interest, leadership and support of the Board of Trustees, preparation of this report would not have been possible.

Independent Auditor's Report

To the Board of Trustees of
Northside Independent School District

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Northside Independent School District (the District), as of and for the year ended August 31, 2022, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the District, as of August 31, 2022, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

The District's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and the Required Supplementary Information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The Introductory Section, Supplementary Information, and Statistical Section, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The Schedule of Expenditures of Federal Awards, as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), is presented for purposes of additional analysis and is also not a required part of the basic financial statements.

The Supplementary Information and Schedule of Expenditures of Federal Awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Supplementary Information and Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information Included in the Annual Comprehensive Financial Report (ACFR)

Management is responsible for the other information included in the (ACFR). The other information comprises the Introductory Section and Statistical Section but does not include the financial statements and our auditor's report thereon. Our opinions on the financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 24, 2023 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Northside Independent School District (the "District"), we offer readers of the District's basic financial statements this narrative overview and analysis of the financial activities for the fiscal year ended August 31, 2022. The intent of this section is to look at the District's financial performance as a whole. We encourage readers to consider the additional information presented in the transmittal letter, in the introductory section, and the notes to the basic financial statements in conjunction with this discussion and analysis to enhance their understanding of the District's financial performance.

FINANCIAL HIGHLIGHTS

- Assets and deferred outflows of resources of the district exceeded liabilities and deferred inflows of resources by \$128,556,599 (net position). The District has \$205,578,591 of negative unrestricted net position. The negative overall and unrestricted net position is primarily the result of liabilities associated with the Pension Obligation and Other Postemployment Obligations (OPEB) which is discussed extensively in Notes 10 and 11 of the Notes to the Financial Statements. Restricted net position consists of \$75,030,890 for debt service, \$7,859,040 for child nutrition services and \$12,016,564 for grants.
- The District is reporting an increase in net position of \$156,800,903.
- Tax collections increased \$30,256,439 from 2021 and the tax levy increased by \$28,249,343, as a result of the increase in the tax base.
- The ending fund balance of the District's General Fund increased \$21,722,639 to \$457,419,520. The unassigned portion of fund balance, \$238,720,315 represents 25.62% of annual operating expenditures or about 67 days of operations (based on 260 annual operating days).
- In May 2018, the Northside community approved a \$848.91 million bond proposal to build one high school, one middle school, two elementary schools, and make additions and improvements to existing schools and facilities. During the year, the District issued \$191,110,000 from the 2018 bond authorization.
- In May 2022, the Northside community approved a \$992 million bond proposal to build one elementary school and make additions and improvements to existing schools and facilities. As of yet, the District did not issue any bonds from the 2022 bond authorization.

OVERVIEW OF THE BASIC FINANCIAL STATEMENTS

The Annual Comprehensive Financial Report (ACFR) consists of an Introductory Section, Financial Section, Statistical Section and a Federal Awards Section. The Financial Section consists of four parts - Management's Discussion and Analysis (this section), the basic financial statements (with accompanying notes), required supplementary information, and an optional section that presents combining statements for non-major governmental funds, internal service funds, fiduciary funds and capital assets used in the operation of governmental funds. The statements are intended to be organized so that the reader can understand the District as an entire operating entity.

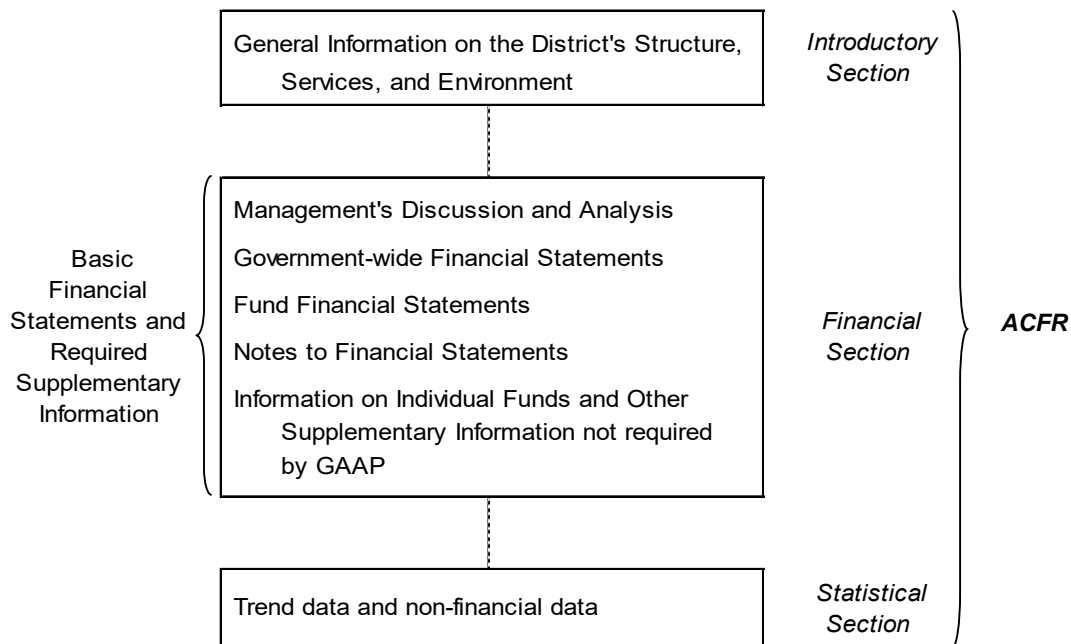

The basic financial statements include two kinds of statements that present different views of the District in addition to the notes that explain some of the information in the basic financial statements and provide data that is more detailed:

1. The first two statements are *government-wide financial statements*, the Statement of Net Position and the Statement of Activities, which provide both long-term and short-term information about the District's overall financial status.
2. The remaining statements are *fund financial statements* that focus on individual parts of the government, reporting the District's operations in more detail than the government-wide statements. The *governmental funds* statements tell how general government services were

financed in the short term as well as what remains for future spending. *Proprietary fund* statements offer short and long-term financial information about the activities the government operates like businesses, such as printing services. *Fiduciary fund* statements provide information about the financial relationships in which the District acts solely as a trustee or agent for the benefit of others, to whom the resources in question belong.

The statements are followed by a section of *required supplementary information* and *other supplementary information* that further explains and supports the information in the basic financial statements. Figure A-1 shows how the required parts of this annual report are arranged and related to one another.

Figure A-1
Components of the District's Annual Comprehensive Financial Report (ACFR)

Government-Wide Financial Statements (Reporting the District as a Whole)

These statements summarize the large number of funds used by the District to provide programs and activities and view the entire District as a whole. The **Statement of Net Position** includes all assets and liabilities of the District using the accrual basis of accounting similar to the accounting used by most private-sector companies. The **Statement of Activities** takes into consideration all of the current year's revenues and expenses regardless of when cash is received or paid. All inter-fund transactions are eliminated.

These two statements report the District's net position and changes in those positions. Net position, the difference between the District's assets plus deferred outflows and liabilities plus deferred inflows, are one way to measure the District's financial health or position.

Change in net position is important because it tells the reader that, as a whole, the financial position of the District has improved or diminished. The causes of this change may be the result of many factors, some financial, and some not. Non-financial factors include the District's property tax base, current Texas school finance laws, student growth, facility needs, and required educational programs.

The District is composed of governmental and business-like activities. Governmental activities comprise the programs and services related to providing a public education to residents of the District. Activities reported include, but are not limited to, instruction, support services, administration, maintenance, pupil transportation, extracurricular activities, technology services and security. In 2022, the District absorbed

the business-like activities related to after-school and summer programs for elementary and middle school students into the General Fund.

Fund Financial Statements (Reporting the School District's Most Significant Funds)

Fund financial statements provide detailed information about the District's major funds. The District uses many funds to account for a multitude of financial transactions that have been separated for specific activities or objectives. However, these fund financial statements focus on the District's most significant funds. The District's major governmental funds are the General Fund, Debt Service Fund, and the Capital Projects Fund.

All the funds of the District can be described by three categories:

- **Governmental Funds** - Most of the District's activities are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end available for spending in the future periods. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the District's general operations and the basic services it provides. Governmental fund information helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance educational programs. The relationship (or differences) between governmental activities (reported in the Statement of Net Position and the Statement of Activities) and governmental funds is reconciled in the basic financial statements.
- **Proprietary Funds** - Services for which the District self-charges customers a fee are generally reported in proprietary funds. Proprietary fund statements, like the government-wide statements, provide both long and short-term financial information. The Internal Service Funds are used to report activities such as the District's Worker's Compensation Insurance, Unemployment Self Insurance, Armored Car Services, Equipment Replacement, and Printing Operations that provide supplies and services for the District's other programs and activities.
- **Fiduciary Funds** - The District is the fiduciary for Student Activities, Northside Booster Association, and University Interscholastic League funds. All of the District's fiduciary activities are reported in a separate Statement of Fiduciary Net Position. These activities are excluded from the District's basic financial statements because the District cannot use these assets to finance its operations.

FINANCIAL ANALYSIS OF THE DISTRICT AS A WHOLE (Government-wide)

Net Position

The District's net position was approximately \$128.6 million at August 31, 2022, which is a \$156.8 million increase from the August 31, 2021 net position of \$(28.2) million.

Table A-1 summarizes the change in net position from August 31, 2021 to August 31, 2022.

Table A-1
Net Position
(in millions of dollars)

	Governmental Activities		Business-type Activities		Total	
	08/31/22	08/31/21	08/31/22	08/31/21	08/31/22	08/31/21
Assets

 Total Deferred Outflows of Resources	 <u>157.58</u>	 <u>181.99</u>	 <u>-</u>	 <u>-</u>	 <u>157.58</u>	 <u>181.99</u>
Liabilities						
Current and Other Liabilities	152.71	111.26	-	0.34	152.71	111.60
Long-term Liabilities	<u>2,891.67</u>	<u>3,021.59</u>	<u>-</u>	<u>-</u>	<u>2,891.67</u>	<u>3,021.59</u>
Total Liabilities	3,044.38	3,132.85	-	0.34	3,044.38	3,133.19
 Total Deferred Inflows of Resources	 <u>413.87</u>	 <u>299.32</u>	 <u>-</u>	 <u>-</u>	 <u>413.87</u>	 <u>299.32</u>
Net Position						
Net Investment in Capital Assets	239.23	174.91	-	0.14	239.23	175.06
Restricted	94.90	63.80	-	-	94.90	63.80
Unrestricted	<u>(205.58)</u>	<u>(267.91)</u>	<u>-</u>	<u>0.81</u>	<u>(205.58)</u>	<u>(267.10)</u>
Total Net Position	<u>\$ 128.55</u>	<u>\$ (29.20)</u>	<u>\$ -</u>	<u>\$ 0.95</u>	<u>\$ 128.55</u>	<u>\$ (28.24)</u>

- 90.5% percent of the District's \$923.69 million in Current and Other Assets are liquid, with \$795.84 million in cash and cash equivalents and \$40 million in government securities.
- Capital Assets reflect the District's investment in land, construction in progress, buildings, and equipment, net of accumulated depreciation. The increase in Capital Assets is from the addition of new schools and other ongoing construction projects less the effect of changes in accumulated depreciation expense.
- Long-term Liabilities include the District's outstanding voter-approved general obligation bonds, which were \$2.327 billion. Long-term liabilities increased due to the issuance of two new debt obligations from the 2018 bond authorization.
- The increase in construction projects exceeded the increase in bond issuance activity, causing an increase in Net Investment in Capital Assets.
- Restricted net position is not available for general operations and includes \$7.8 million for child nutrition services and \$75 million for debt service at August 31, 2022.

Changes in Net Position

The District's revenues totaled \$1.40 billion in 2021-22. A significant portion, 58.0%, of the District's revenue came from property taxes, 17.9% from state aid – formula grants, 22.1% from operating grants. (See Figure A-2).

The District's 2022 primary government activities increased net position by \$157.75 million as reflected in Table A-2. The largest functional expenses occurred in instruction, school leadership, plant maintenance and operations, and debt service, which represented \$692.08 million or 55.55%, \$63.39 million or 5.09%, \$106.17 or 8.52%, and \$54.73 million or 4.39% of total expenses, respectively. The decrease in instruction is associated with the transfer of salaries from the General Fund to the ESSER grant, the increase in plant maintenance and operations can be directly associated with the change in the District's enrollment.

The total cost of all programs and services was \$1,245.92 million. Of these costs, 81.07% are for instructional and student support services.

Governmental Activities

- This year's property tax collection rate was 99.28 based on a tax levy of \$817,886,939. Compared to 2020-21, property tax revenue increased 3.86% for 2021-22 due to a higher tax base.
- Formula State Aid decreased \$752 thousand overall or 0.30%. This decrease is a result of decreased enrollment impact of the COVID pandemic and the offset of state aid against federal grants

Table A-3 represents the cost of each of the District's largest functions as well as each function's *net cost* (total cost less fees generated by the activities and intergovernmental aid). The net cost reflects what state revenues as well as local tax dollars funded.

	Cost of Services			
	08/31/22		08/31/21	
	Total	Net	Total	Net
Instruction	\$ 692.08	\$ 574.13	\$ 744.77	\$ 620.50
School Leadership	63.39	57.37	65.32	58.61
Guidance, Counseling and Evaluation Services	45.05	8.54	48.34	31.19
Student (Pupil) Transportation	40.86	38.48	34.92	32.42
Child Nutrition Services	53.57	(14.99)	45.73	7.96
Plant Maintenance and Operations	106.17	95.34	103.93	97.21
Debt Service	54.73	51.95	57.26	54.41
Total	<u>\$ 1,055.86</u>	<u>\$ 810.82</u>	<u>\$ 1,100.27</u>	<u>\$ 902.29</u>

- Instruction comprises 55.55% of the District's net cost of services on a government-wide basis;
- The net cost of all *governmental* activities this year was \$915,211,870. The amount that our taxpayers paid for these activities through property taxes was \$814,097,884;
- Costs paid by the state were \$251,410,441;
- Net costs include program costs paid by those who directly benefited from the programs of \$20,749,313; and
- Net costs include costs paid by grants and contributions, \$309,956,739.

FINANCIAL ANALYSIS OF THE DISTRICT'S FUNDS

Using the modified accrual basis of accounting, revenues from governmental funds totaled \$1,417,398,313 and expenditures were \$1,508,591,110. The District reported combined governmental funds ending fund balances of \$761,426,450. Since not all the ending fund balance is available for new spending, the District has the following fund balance classifications:

- Nonspendable amounts from inventories of \$11,558,245;
- Restricted amounts for debt service of \$81,529,710;
- Restricted amounts for child nutrition of \$11,540,789;
- Restricted amounts for grants of \$475,775;
- Restricted for authorized construction of \$177,378,504;
- Committed amounts for local special revenue funds of \$25,223,112;
- Committed amounts for instructional continuity of \$215,000,000;

The General Fund experienced a net increase in fund balance of \$21,722,639, which was partly the result of increased tax revenues and transfers out various expenditures that were covered by federal ESSER grants.

The Debt Service Fund experienced a net increase in fund balance of \$18,451,679, which was the result of increased local revenues.

The Capital Projects fund experienced a net increase in fund balance of \$54,001,629 mainly as a net result of new bond issues from the 2018 bond authorization issued in the amounts of \$106,110,000 and \$85,000,000 costs to complete projects and the opening of a new high school.

Budgetary Highlights

Over the course of the year, the District revised its general fund budget three times, as follows:

- Budget Amendment No. 1 reflected adjustments to General Fund revenue sources not incorporated into the adopted budget, the majority of which is related to concession revenue. In addition, General Fund expenditures were amended to recognize a net increase of \$12 million with the majority (91%) represented by Campus Carryforward of \$7,126,717, and Purchase Order Carryforward of \$3,915,630.
- Budget Amendment No. 2 amended the General and Child Nutrition Funds. General Fund revenue was amended to recognize a net reduction of \$45.2 million with a majority due to low campus attendance impacting the district's average daily attendance (ADA). General Fund expenditures were amended to recognize a net decrease of \$44.6 million with the majority represented by a reduction to salary budgets of \$27 million related to increased vacancies and to recognize the state supplanting of ESSER II funds for the 19-20 hold harmless received by the district but used to reduce expenditures in 2021-22 by \$19,902,465.
- Budget Amendment No. 3 amended General Fund revenue to recognize a net increase of \$64.2 million as a result of the Target Percentage Attendance Rate (TPAR) adjustment to the district's first 4 six-week cycles in 2021-22 and to recognize the results of the 2019 and 2020 Property Value Audits. General Fund expenditures were amended to recognize a net decrease of \$1.9 million.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

At the end of 2022, the District had invested \$2.50 billion in a broad range of capital assets, including land, equipment, buildings, and vehicles (see Table A-4). This amount represents a net increase (including additions and deductions) of \$57.83 million or 2.4% over last year.

Table A-4		
District's Capital Assets		
<i>(in millions of dollars)</i>		
	<u>08/31/22</u>	<u>08/31/21</u>
Land	\$ 112.29	\$ 112.24
Buildings and Improvements	3,446.34	3,147.40
Construction in Progress	161.33	304.90
Furniture and Equipment	146.80	141.83
Totals at Historical Cost	3,866.76	3,706.37
Total Accumulated Depreciation	<u>(1,361.23)</u>	<u>(1,258.67)</u>
Net Capital Assets	<u>\$ 2,505.53</u>	<u>\$ 2,447.70</u>

The District is continuing the capital improvement program being funded by the 2014 \$648.3 million bond authorization. The 2014 authorization included \$274.5 million for the construction of one high school and four elementary schools, \$199.8 million for major additions and renovations, \$71.8 million for infrastructure improvements, \$47.0 million for technology, and \$55.2 million for other projects. At August 31, 2022, \$613.7 million has been spent on these projects.

In May 5, 2018, the District was authorized to issue \$848.9 million in bonds for the construction of one high, one middle school, two elementary schools, various renovations and upgrades to existing facilities, and equipment for technology and transportation. At August 31, 2022, \$509.5 million has been spent on these projects.

In May 7, 2022, the District was authorized to issue \$992 million in bonds for the construction of one elementary school and various renovations and upgrades to existing facilities, and equipment for technology and transportation. At August 31, 2022, \$2.8 million has been spent on these projects.

More information about the District's capital assets is presented in Note 5 of the Notes to Financial Statements.

Long-Term Debt

During the year, the District issued \$191,110,000 in new debt from the 2018 authorization. The District continued its active debt management practice by continuously evaluating potential savings in the debt management program. At year-end, the District had \$2.89 billion in long-term debt outstanding as shown in Table A-5. More information about the District's debt is presented in Note 7 in the Notes to Financial Statements.

	<u>08/31/22</u>	<u>08/31/21</u>
Bonds payable	\$2,454.92	\$2,408.13
Net Pension Liability	137.64	304.09
Net OPEB Liability	288.19	298.61
Liability for Compensated Absences	8.43	8.42
Workers Compensation	2.49	2.32
Total Long-Term Debt	<u>\$2,891.67</u>	<u>\$3,021.57</u>

Long-term bonds are rated "AAA" by Moody's Investors Service, Inc. ("Moody's") and Fitch Investors Service ("Fitch") by virtue of the guarantee of the Permanent School Fund of the State of Texas.

The current underlying credit rating from Fitch is AA+. The current underlying credit rating from Moody's is Aa1. The District's short-term credit has been rated F1+ by Fitch and P-1 by Moody's.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET AND TAX RATES

- Property values used for the 2022-23 budget preparation will be up an estimated \$8.4 billion or 13.09% from 2022. The expected resulting increase in General Fund tax revenues of \$32.1 million and increase Debt Service Fund tax revenues is \$30.4 million.

- The District's 2022-23 General Fund adopted budget included a projected average daily attendance (ADA) of 93,000. This is a reduction from prior year ADA which was 97,500. A significant factor in this change in ADA is due to COVID-19 pandemic and is consistent with patterns across the state.
- For 2021-22, the District appropriated \$975.8 million in General Fund expenditures and estimated revenues just under \$941.2 million. The adopted budget included an increase in compensation of \$19.5 million for employees of either 2% or 4% on the mid-point and the approved Growth and Improvement requests in the amount just over \$24 million.

CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, customers, investors and creditors with a general overview of the District's finances and to demonstrate the District's accountability for the funds it receives. If you have questions about this report or need additional financial information, contact the District's Deputy Superintendent for Business and Finance at Northside ISD, 5900 Evers Road, San Antonio, TX 78238.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

**RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET TO THE
STATEMENT OF NET POSITION**

August 31, 2022

Amounts reported for government activities in the Statement of Net Position are different because:

Total fund balances - governmental funds **\$ 761,426,450**

The District uses internal service funds to charge the costs of certain activities, such as printing, armored car service and self-insurance (worker's compensation, equipment and unemployment) to appropriate functions in other funds. The assets and liabilities of the internal service funds are included in the governmental activities in the statement of net position, including furniture and equipment and accumulated depreciation in the following amounts:

Furniture and Equipment	\$ 1,665,618	
Accumulated Depreciation - Furniture and Equipment	(1,273,697)	9,286,120

Capital assets used in governmental activities are not financial resources, and therefore, are not reported as assets in the governmental funds.

Land	\$ 112,284,812	
Buildings	3,446,347,158	
Furniture and Equipment	145,137,330	
Construction in Progress	<u>161,329,308</u>	3,865,098,608
Accumulated Depreciation - Buildings	(1,265,165,219)	
Accumulated Depreciation - Furniture and Equipment	<u>(94,798,486)</u>	(1,359,963,704)

Long-term liabilities, including bonds payable, are not due and payable in the current period and therefore, are not reported as liabilities in the funds. Unearned revenue is not reported as a liability in the government-wide financial statements, because the revenue is considered earned.

Accrued Interest - Bonds	\$ (8,063,022)	
Bonds Payable - Long-term	(2,327,690,000)	
Unamortized Bond Premiums	(127,226,886)	
Other Long term Liability - Accrued Vacation	<u>(8,432,290)</u>	(2,471,412,198)

Unavailable revenue from property taxes and other items is not reported as a deferred inflow in the government-wide financial statements, because the revenue is considered earned.

Property Taxes		6,239,172
----------------	--	-----------

Deferred Charge on Refunding Bonds is a deferred outflow and is not reported in the fund financial statements.

11,240,254

Included in the items related to long term debt, as required by GASB 68 and 75, are the

District's proportionate share of the net pension liability	\$ (137,638,982)	
District's proportionate share of the net OPEB liability	(288,188,237)	
Deferred resource inflow related to TRS pension	(177,208,548)	
Deferred resource inflow related to TRS OPEB	(236,665,037)	
Deferred resource outflow related to TRS pension	76,889,952	
Deferred resource outflow related to TRS OPEB	<u>69,452,749</u>	(693,358,103)

Net Position - Governmental Activities **\$ 128,556,599**

**RECONCILIATION OF THE GOVERNMENTAL FUNDS
STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCE
TO THE STATEMENT OF ACTIVITIES**
Year Ended August 31, 2022

Amounts reported for government activities in the Statement of Activities are different because:

Total net change in fund balances - governmental funds \$ 110,409,172

The District uses internal service funds to charge the costs of certain activities, such as printing, armored car services, and self-insurance (worker's compensation, equipment and unemployment) to appropriate functions in other funds. The net income (loss) of the internal service funds are reported with the governmental activities.

403,342

Current year capital expenditures in the fund financial statements are shown as increases in capital assets in the government-wide financial statements.

159,680,521

Long-term issuances of debt are reported as resources in the fund financial statements and are shown as increases in long-term debt in the government-wide financial statements. Payments of principal on long-term debt are expenditures in the fund financial statements and are shown as reductions in long-term debt in the government-wide financial statements. Long-term debt activity was:

Accrued Interest - Bonds	(361,003)	
Bonds Payable - Long-term	(62,410,000)	
Unamortized Bond Premiums	15,627,665	
Deferred Charge for Refunding Bonds	<u>(728,188)</u>	(47,871,526)

Depreciation expense increases accumulated depreciation. The net effect of the current year's depreciation is to decrease net position.

(102,376,325)

Adjustments related to the net pension liability, net OPEB liability, and related deferred inflows and deferred outflows, which impact ending net position.

38,645,476

Reclassifications and eliminations are necessary to convert from the modified accrual basis of accounting to accrual basis of accounting. These include recognizing unavailable revenue as revenue, recognizing liabilities for compensated absences, and consolidating interfund transactions.

(1,138,829)

Changes in Net Position - Governmental Activities **\$ 157,751,831**

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Reporting Entity

The Board of School Trustees (Board), a seven-member group, has governance responsibilities over all activities related to public elementary and secondary education within the jurisdiction of the Northside Independent School District, San Antonio, Texas. Because members of the Board of Trustees are elected by the public, have the authority to make decisions, appoint administrators and managers, and significantly influence operations, and have the primary accountability for fiscal matters, the District is not included in any other governmental "reporting entity" as defined by Governmental Accounting Standards Board (GASB), Statement No. 14, "The Financial Reporting Entity", and/or GASB Statements No. 39, No. 61, and No. 80, determining whether certain organizations are component units. There are no component units included within the reporting entity. Since the District receives funding from local, state, and federal government sources, it must comply with the requirements of the entities providing those funds.

The accounting policies of the District substantially comply with the rules prescribed in the Texas Education Agency Financial Accountability System Resource Guide (Resource Guide). The accounting policies included in the Resource Guide conform to accounting principles generally accepted in the United States of America applicable to state and local governmental units. The Governmental Accounting Standards Board (GASB) is the accepted body for establishing governmental accounting and financial reporting standards.

b. Government-wide and Fund Financial Statements

The government-wide financial statements (i.e. statement of net position and the statement of activities) display information about the District. These statements include the financial activities of the overall government, except for fiduciary activities. Consolidations have been made to minimize the double counting of internal activities. Inter-fund services provided and used are not eliminated in the process of consolidation. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange transactions.

The statement of activities presents a comparison between direct expenses and program revenues for each function of the District's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Indirect expense allocations that have been made in the funds have been reversed for the statement of activities. Program revenues include: (a) fees and charges paid by the recipients of goods or services offered by the programs and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Property taxes, State aid - formula grants, and other items not included in program revenues are presented as general revenues. Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though fiduciary funds are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements. Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the Learning Tree after school program, the internal service fund's print shop and self-funded programs. Operating expenses include the cost of sales and services, administrative expenses, and depreciation on capital assets. All other revenues and expenses are non-operating.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund and fiduciary fund financial statements. Custodial funds use the economic resources measurement focus and are presented on the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Non-exchange transactions, in which the District gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, grants, entitlements, and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when they are both measurable and available. For this purpose, the District considers all revenues to be available if the revenues are collected within sixty days after year-end. Expenditures generally are recorded when the related fund liability is incurred, if measurable, except for debt service expenditures, and compensated absences, which are recognized as expenditures only when payment is due. Property tax revenue, interest, and revenues received from the State are recognized under the susceptible to accrual concept. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. Miscellaneous revenues are recorded as revenues when received in cash because they are generally not measurable until actually received. Investment earnings are recorded as earned, since they are both measurable and available. General capital asset acquisitions are reported as expenditures in governmental funds.

Grants funds are recorded as revenues when all eligibility requirements are met, including any time requirements, and the amount is received during the period or within the availability period. Expenditure driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other eligibility requirements have been met, and the amount has been received during the period or within the available period of this revenue source. All other revenue items are considered to be measurable and available only when cash is received by the District.

The proprietary fund types are accounted for on a flow of economic resources measurement focus and utilize the accrual basis of accounting. This basis of accounting recognizes revenues in the accounting period in which they are earned and become measurable. Expenses are recognized in the accounting period in which they are incurred and become measurable. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the Statement of Net Position. The net position is segregated into net investment in capital assets, restricted net position, and unrestricted net position.

Under the terms of grant agreements, the District funds certain programs by a combination of specific cost-reimbursement grants, categorical block grants, and general revenues. Thus, when program expenses are incurred, there are both restricted and unrestricted net position available to finance the program. It is the District's policy to apply block grants, followed by general revenues and then cost reimbursement grant resources.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The District reports the following major governmental funds:

- General Fund - The General Fund accounts for financial resources used for the fundamental operations of the District. All revenues and expenditures not required to be accounted for in other funds are included here. It is a budgeted fund and unassigned fund balances are considered resources available for current operations. From year to year within unassigned fund balance are investments with a maturity of greater than one year from the date of the financial statements. The District has traditionally held investments to maturity and does not intend for those investments to be utilized for expenditures in the budget year following the date of the financial statements. All but one investment with a maturity greater than one year for the year ending August 31, 2022 which had call date features, were exercised prior to the issuance of this report. General Fund primary revenue sources include local property taxes and state funding.
- Debt Service Fund - The Debt Service Fund accounts for the accumulation of resources for, and the payment of bonded debt principal and interest. The primary revenue source is local property taxes levied specifically for debt service. The fund balance of this fund represents amounts that will be used for retirement of bonds and payment of interest in the future. The Debt Service Fund is a budgeted fund.
- Capital Projects Fund - The Capital Projects Fund was established to account for the proceeds from the sale of bonds including earnings on investments of the fund. Proceeds are used for acquiring school sites, constructing and equipping new school facilities, and renovating existing facilities.

Additionally, the District reports the following fund types:

- Special Revenue Funds - These funds are used to account for the majority of federal and state funded grants. These grants are awarded to the District with the purpose of accomplishing specific educational tasks. Funds are used primarily for math and reading improvement programs for the educationally deprived, special education programs involving learning disabilities and the physically handicapped, career and technology education programs, and a child nutrition program, in addition to campus supported activities. The District's Special Revenue Funds use project accounting and budgeting for all funds.
- Enterprise Fund – This fund is used to account for after-school and summer programs for elementary and middle school students.
- Internal Service Funds – These funds are used to account for the financing of goods and services provided by one fund to other funds of the District, on a cost reimbursement basis. These activities include printing services, armored car services and the worker's compensation self-funded insurance program of the District. These are not budgeted funds.
- Custodial Funds - These funds are used to account for assets held by the District as an agent for individuals, private organizations, other governmental units, which are not held in trust. These include funds set aside for scholarships and monies that are collected principally through fund raising efforts of the individual schools or school-sponsored groups (student activity funds).

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

d. Budgets

The official budget was prepared for adoption for all required Governmental Fund Types. The following procedures are followed in establishing the budgetary data reflected in the basic financial statements:

- 1) Prior to August 20th of the preceding fiscal year, the District prepares a budget for the next succeeding fiscal year beginning September 1st. The operating budget includes proposed expenditures and the means of financing them.
- 2) A meeting of the Board is then called for the purpose of adopting the proposed budget after ten days public notice of the meeting has been given.
- 3) Prior to September 1st, the budget is legally enacted through passage of a resolution by the Board.

The legal level of budgetary control is at the major functional expenditure level by fund type. Annual budgets are adopted for the General Fund, Child Nutrition Special Revenue Fund, and Debt Service Fund on a basis consistent with accounting principles generally accepted in the United States of America. All budget appropriations lapse at year end.

	Original Budget	Net Change	Amended Budget
General Fund	\$ 975,856,275	\$ (34,452,518)	\$ 941,403,757
Debt Service	208,472,800	(578,864)	207,893,936
Special Revenue Funds – Child Nutrition Fund	\$ 60,000,000	\$ (3,405,396)	\$ 56,594,604

Once a budget is approved, it may be amended by management without Board approval within a major functional expenditure category and can be amended at the major functional expenditure level by fund type only by approval of a majority of the members of the Board. Amendments are presented to the Board at its regular meetings. Amendments are reflected in the official minutes of the Board and are made before the fiscal year end as required by law.

The budget amounts included in this report reflect various amendments made by management and adopted by the Board throughout the year through the final amended budget, which was approved by the Board on August 24, 2022.

A reconciliation of fund balances for both budgeted and unbudgeted special revenue funds follows:

Budgeted Funds – Child Nutrition Fund	\$19,399,829
Funds not Budgeted	31,994,662
	<u>\$51,394,491</u>

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

e. Encumbrances

An encumbrance system of accounting is maintained to account for commitments from approved purchase orders, work orders and contracts. Capital Projects Fund encumbrances represent significant construction commitments. Under Texas law, appropriations lapse at August 31, 2022, and encumbrances outstanding at the time are canceled or re-appropriated in the succeeding year's budget. End-of-year outstanding encumbrances that were provided for in the subsequent year's budget are presented below:

General Fund	\$ 4,508,322
Capital Projects Fund	162,492,712
Special Revenue Funds	40,377,550

f. Inventories

Inventories of supplies on the balance sheet are stated at cost, determined on the weighted average method, while inventories of food commodities are recorded at market values supplied by the Texas Department of Human Services on the date received. Inventories are maintained on a perpetual inventory system and adjusted at year end to physical count balances, if necessary. Inventory in governmental funds consist of expendable goods held for consumption. Reported inventories in these funds are equally offset by nonspendable fund balance. Expenditures are recorded when individual inventory items are distributed from the warehouse to campuses and District offices.

g. Long-Term Debt

In the government-wide financial statements and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable government activities or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. The amount of deferred charge for refunding transactions is reported as a deferred outflow of resources and amortized using the straight-line method over the shorter of the life of the new debt or the refunded debt.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs during the period. The face amount of debt issued is reported as other financing sources. Premiums and discounts incurred on debt issuances are reported as other financing sources. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures. Gains and losses resulting from bond refunding transactions are reported as other sources and other uses.

h. Capital Assets

Capital assets, which include land, buildings and improvements, furniture and equipment, and construction in progress, are reported in the government-wide financial statements. Capital assets are defined by the District as assets with an initial, individual cost of more than \$5,000 and an estimated useful life of more than one year. Such assets are recorded at historical cost or estimated historical cost. Donated capital assets are recorded at their acquisition value at the date of donation. The cost of normal maintenance and repairs that do not add to the value of the asset or materially

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

h. Capital Assets (continued)

extend asset lives is not capitalized. Capital assets are depreciated using the straight-line method over the following estimated useful lives:

Asset Class	Estimated Useful Lives
Buildings and Improvements	10 – 40 years
Automotive Equipment	7 – 18 years
Furniture and Equipment	5 – 15 years

i. Fund Equity

In the governmental fund financial statements, fund balance amounts that are not available for appropriation or are legally restricted by outside parties for a specific purpose are designated as restricted, committed, assigned and non-spendable. Designations of fund balance for non-spendable amounts, commitments, and assignments have been eliminated from the government-wide financial statements. The unassigned fund balance represents that portion of the fund balance that is available for budgeting in future periods.

Commitments of fund balance may only be done by a resolution of the Board of Trustees. By Board of Trustees resolution, assignments of fund balance may be made by the Superintendent, or their designee, or the Deputy Superintendent for Business and Finance. Fund balance amounts that are restricted, committed, or assigned are considered to have been spent when the expenditure is incurred for the purpose for which the fund balance was restricted, committed, or assigned. Committed and assigned fund balances may also be relieved by Board resolution. If an expenditure meets the criteria in more than one fund balance category, then the District considers the fund balance relieved in the following order: restricted, committed, assigned, and then unassigned.

j. Net Position

In the government-wide financial statements, net position represents the difference between assets plus deferred outflows and liabilities plus deferred inflows. Net investment in capital assets consists of capital assets, net of accumulated depreciation, adjusted by outstanding debt related to the acquisition of those capital assets and any unspent bond proceeds. Net position is reported as restricted when there are limitations imposed on its use by external creditors or grantors. Any remaining net position is considered unrestricted.

k. Compensated Absences

Accumulated vacation and earned leave for eligible employees are expected to be liquidated with expendable available financial resources and are recognized as governmental fund liabilities, to the extent that they have matured.

The liability for compensated absences reported in the government-wide and proprietary fund statements consists of:

- Vacation leave earned by hourly non-exempt personnel is accrued when incurred and unused balances are distributed on termination from employment.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

k. Compensated Absences (continued)

- Compensatory time earned by salaried non-exempt personnel is accrued when earned. Unused balances are paid annually to the extent balances exceed 120 hours and the entire unused balance is paid on termination from employment. The liability has been calculated using the vesting method. Compensated absences typically have been liquidated in the general and the child nutrition funds.
- Accumulated State and Local leave earned by eligible employees is paid upon retirement under the Teacher's Retirement System at a percentage of an established pay rate that increases based on years of service.

l. Cash and Cash Equivalents

Cash in bank, money market accounts, and external investment pools are reported as cash and cash equivalents in the financial statements. For the statement of cash flows, cash and cash equivalents consist of cash in banks, investment pool deposits, and securities with maturities of less than three months from the date purchased.

Investments

State statutes and Board policy authorize the District to invest any and all of its funds in fully collateralized certificates of deposit, direct debt securities of the United States of America or the state of Texas, other obligations the principal and interest of which are unconditionally guaranteed by the state of Texas or the United States, fully collateralized repurchase agreements, banker's acceptances, public funds investment pools, money market mutual funds, commercial paper and other investments specifically allowed by Chapter 2256 of the Texas Government Code. The District participates in several local government investment pools and accrues interest based on the terms and interest rates of the pools. The District's policy is to report local government investment pools that meet the criteria of GASB Statement No. 79, *Certain External Investment Pools and Pool Participants*, at the pool's net asset value (NAV) which is based on amortized cost.

m. Accounting System

In accordance with Texas Education Code, Chapter 44, subchapter A, the District has adopted and installed an accounting system which meets at least the minimum requirements prescribed by the State Board of Education and approved by the State Auditor. Data Control codes refer to the account code structure prescribed by the Texas Education Agency in the Resource Guide.

n. Accrual of Foundation School Program Revenues

The State of Texas provides funding to Districts through the Foundation School Program based on instructional days, average daily attendance by fiscal year, and other factors. The academic year for the District typically begins after the fourth Monday in August and before the beginning of the subsequent fiscal year (September 1st). During this period, expenditures are incurred that relate directly to revenues received in the subsequent fiscal year. In the current fiscal year, the District accrued Foundation School revenues that would be received next year to match August days of instructional expenditures.

o. Unearned Revenue

Nonexchange revenues where resources are transmitted before the eligibility requirements are met are reported as unearned revenues on the balance sheet of the governmental funds.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

o. Unearned Revenue (continued)

Prepaid meals for the School Lunch Program and prepaid tuition for the District's after school care program are also recorded as unearned revenues.

p. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the District's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, deferred inflows and outflows, and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenue and expenses/expenditures during the reported period. Actual results could differ from those estimates.

q. Indirect Expenses

School districts are required to report all expenses by function, except for certain indirect expenses – general administration and data processing services. These include expenses that are indirect and not allocated to other functions.

r. Arbitrage Payable

The Tax Reform Act of 1986 enacted section 148(f) of the Internal Revenue Code, relating to arbitrage rebate requirements, which generally provides that in order for interest on any issue of obligation to be excluded from gross income (i.e., tax-exempt), the issuer must rebate to the United States the excess of the amount earned on investments acquired from bond proceeds over the amount which would have been earned if such investments had been invested at a yield equal to the yield on the issue. This amount is determined based on current investment yields and is subject to change prior to the due date of the rebate. The due date of the rebate is five years from the date of issue. The District records the liability, which is currently payable, in the Capital Projects Fund. Arbitrage payable at August 31, 2022 is \$2,126.

s. Deferred Outflows and Inflows of Resources

Deferred Outflows of Resources are reported between the assets and liabilities sections on the government-wide Statement of Net Position. These represent a consumption of net assets that applies to future periods and will not be recognized until then. The District reports the deferred charge for refunding in this category, which is the difference between the carrying value of refunded debt and its reacquisition price. The District also reports deferred outflows related to pension and other post-employment benefit amounts. There are no deferred outflows of resources to report in the fund financial statements.

Deferred Inflows of Resources represent an acquisition of net assets that applies to a future period and will not be recognized until then. The District reports unavailable revenue for property taxes and unavailable grant revenue in this category as these amounts are not anticipated to be available within 60 days of the fiscal year end. The Teacher Retirement system (TRS) pension and other post-employment benefits investment earnings are reported only on the Government-wide Statement of Net Position. These amounts are deferred and recognized as an inflow of resources in the period amounts become available.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

t. Pensions

The fiduciary net position of Teacher Retirement System (TRS) has been determined using the flow of economic resources measurement focus and full accrual basis of accounting. This includes for the purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, pension expense, and information about assets, liabilities and additions to/deductions from TRS's fiduciary net position. Benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

u. Other Post-Employment Benefits (OPEB)

The fiduciary net position of the Teacher Retirement System of Texas Care Plan has been determined using the flow of economic resources measurement focus and full accrual basis of accounting. This includes for purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to other post-employment benefits, OPEB expense, and information about assets, liabilities and additions to/deductions from TRS Care's fiduciary net position. Benefit payments are recognized when due and payable in accordance with the benefit terms. There are no investments as this is a pay-as you-go plan and all cash is held in a cash account.

2. DEPOSITS AND INVESTMENTS

a. Cash Deposits

The District's funds are required to be deposited and invested under the terms of a depository contract pursuant to the School Depository Act. The depository bank deposits for safekeeping and trust with the District's agent bank approved pledged securities in an amount sufficient to protect the District's funds on a day-to-day basis during the period of the contract. The pledge of approved securities is waived only to the extent of the depository bank's dollar amount of Federal Deposit Insurance Corporation ("FDIC") insurance.

At August 31, 2022, the carrying amount of the District's deposits (cash and interest-bearing money market accounts) was zero and the bank balance was \$988,668. The District's cash deposits at August 31, 2022 were covered by FDIC insurance and by pledged collateral held by the Federal Reserve in a book entry system in the name of the District.

In addition, the following is disclosed regarding coverage of combined balances on the date of highest deposit:

- Name of the bank: Wells Fargo Bank, N.A.
- As of the date of the highest combined balance on deposit occurring during the month of August 2022, and the District's cash deposits were partially covered by FDIC insurance and by pledged collateral.
- The largest combined balances of cash, savings, and time deposit accounts amount to \$10,445,091 and occurred on August 25, 2022. The total amount of FDIC coverage at the time of the largest combined balance was \$1,000,000. The amount of pledged collateral was \$26,154,880.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

2. DEPOSITS AND INVESTMENTS (Continued)

b. Investments

Public Funds Investment Pools

Public funds investment pools in Texas ("Pools") are established under the authority of the Interlocal Cooperation Act, Chapter 79 of the Texas Government Code and are subject to the provisions of the Act, Chapter 2256 of the Texas Government Code.

In addition to other provisions of the Act designed to promote liquidity and safety of principal, the Act requires Pools to: (1) have an advisory board composed of participants in the pool and other persons who do not have a business relationship with the pool and are qualified to advise the pool; (2) maintain a continuous rating of no lower than AAA or AAAM or an equivalent rating by at least one nationally recognized rating service; and (3) maintain the market value of its underlying investment portfolio within one half of one percent of the value of its shares.

State statutes authorize the District to invest in obligations of the U.S. Treasury, the State of Texas, certain United States agencies, certificates of deposit, money market savings accounts, repurchase agreements, no-load money market mutual funds and other investments specifically allowed by Chapter 2256 Public Funds Investment and Chapter 2257 Collateral for Public Funds of the Government Code. The District invests primarily in obligations of U.S. agencies, TexPool, LoneStar Investment Pool ("LoneStar"), the Texas Short Term Asset Reserve Program (TEXSTAR), Texas CLASS, and the Local Government Investment Cooperative (LOGIC).

The Comptroller of Public Accounts (Comptroller) exercises oversight responsibility over TexPool. Oversight includes the ability to significantly influence operations, designation of management and accountability for fiscal matters. Additionally, the Comptroller has established an advisory board composed of both participants in TexPool and other persons who do not have a business relationship with TexPool. The Advisory Board members review the investment policy and management fee structure.

LoneStar is governed by the Texas Association of School Boards. This entity has the responsibility of adopting and monitoring compliance with the investment advisor, custodian, investment consultant, administrator, and other service providers. The Board is also responsible for monitoring the performance of the Pool.

In September 2005, TEXSTAR and LOGIC merged. A separate board for each pool holds legal title to all money, investments, and assets and has the authority to employ personnel, contract for services, and engage in other administrative activities necessary or convenient to accomplish the objectives of TEXSTAR and LOGIC. The business and affairs of TEXSTAR and LOGIC are managed by their Boards in accordance with their bylaws. The Bylaws set forth procedures governing the selection of, and action taken by, the Board. Board oversight of TEXSTAR and LOGIC is maintained through daily, weekly, and monthly reporting requirements.

Texas CLASS is a local government investment pool. Texas CLASS invests in securities allowed by the Texas Public Funds Investment Act. The pool is governed by a board of trustees, elected annually by its participants.

The District's agency notes and municipal bonds are reported at amortized cost which approximates fair value. Money market investments are reported at amortized cost if the remaining maturity at time of purchase is one year or less, provided that the fair value of those investments is not significantly affected by the impairment of the credit standing of the issuer or by other factors.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

2. DEPOSITS AND INVESTMENTS (Continued)

Accordingly, the District's money market investments are reported at amortized cost and do not include any unrealized gains and losses. At fiscal year-end the District had no money market investments. The fair value of the position in the government investment pools is the same as the value of the pool shares which is at either amortized cost or net asset value (NAV) which is based on amortized cost.

Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. However, investments issued or explicitly guaranteed by the United States government and investments in mutual funds, external investment pools, and other pooled investments are excluded from this requirement. The following is the minimum rating required by the District's investment policy and the Act and the actual rating as of August 31, 2022 for each investment:

Description	Days to Maturity	Minimum Legal Rating	Investment Rating	Rating Organization	Carrying Value	Percentage Invested	Weighted Average Days to Maturity
<i>Investment Pools:</i>							
Lone Star Corporate Overnight Plus Fund	N/A	AAA+/S1+	AAA+/S1+	Standard & Poor's	\$ 291,155,385	34.76%	0.35
Lone Star Government Overnight Fund	N/A	AAA-m	AAA-m	Standard & Poor's	18,311,026	2.19%	0.02
LOGIC	N/A	AAA-m	AAA-m	Standard & Poor's	80,391,083	9.60%	0.10
Texpool	N/A	AAA-m	AAA-m	Standard & Poor's	31,474,254	3.76%	0.04
Texpool Prime	N/A	AAA-m	AAA-m	Standard & Poor's	238,439,653	28.47%	0.28
TexSTAR	N/A	AAA-m	AAA-m	Standard & Poor's	15,819,284	1.89%	0.02
Texas Class	N/A	AAA-m	AAA-m	Standard & Poor's	121,984,661	14.56%	0.15
<i>Agency Notes:</i>							
Agency Notes	365+	A	AA	Standard & Poor's	40,000,000	4.78%	11.12
Total Investments					<u>\$ 837,575,346</u>	<u>100.00%</u>	<u>12.09</u>

Standard and Poor's Rating Legend	
Rating	Capacity to maintain principal stability and to limit exposure to principal losses due to credit risk.
AAA	Extremely strong
AA	Strong
A	Strong but susceptible to adverse effects of changes in circumstances.
BBB	Adequate but more likely to be affected by adverse effects of changes in circumstances.
BB	Uncertain and vulnerable. Demonstrates speculative characteristics.
D	Failed to maintain resulting in realized or unrealized loss of principal.

Concentration of Credit Risk

The District is required to disclose investments in any one issuer that represents 5% or more of total investments. However, investments issued or explicitly guaranteed by the United States government and investments in mutual funds, external investment pools, and other pooled

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

2. DEPOSITS AND INVESTMENTS (Continued)

investments are excluded from this requirement. At August 31, 2022, the District had no investments that exceeded 5% total investments.

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. As a means of limiting exposure to fair value losses due to rising interest rates, the District's investment policy states "To reduce exposure to changes in interest rates that could adversely affect the value of investments, the District shall use final and weighted-average-maturity limits and diversification. The District shall monitor interest rate risk using weighted average maturity and specific identification."

Custodial Credit Risk

Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction, the District will not be able to recover the value of its investment or collateral securities that are in the possession of an outside third party. Investment securities are exposed to custodial risk if the securities are uninsured, are not registered in the name of the district and are held by the counterparty, its trust or agent, but not in the District's name. The District's investment securities are not exposed to custodial credit risk because all securities held by the District's custodial banks are in the District's name.

As of August 31, 2022, the District had \$837,575,346 invested with a weighted average maturity of 9 days.

Fair Value Measurement

The District categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset.

Level 1 – inputs are quoted prices in active markets for identical assets. The District has no level 1 assets at August 31, 2022.

Level 2 – inputs are significant observable inputs, which may include quoted prices for similar assets in active markets, quoted prices of similar assets in non-active markets, and inputs other than quoted that are observable either directly or indirectly.

Level 3 – inputs are unobservable and may include situations where there is minimal, if any, market activity. The District has no level 3 assets at August 31, 2022.

The District's investments at August 31, 2022 are as follows:

Total investments measured at NAV	<u><u>\$ 218,195,028</u></u>			

GASB Statement No. 72 *Fair Value Measurement and Application*, established a hierarchy that prioritizes the inputs used to measure fair value. Certain investment types utilized by the District are not required to be fair valued. Securities classified as Level 2 have used a number pricing methodologies including Treasury Desktop inputs. Since these are not prices quoted for identical securities quoted in active markets they are not classified as Level 1 inputs.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

3. INTERFUND RECEIVABLE, PAYABLE, AND TRANSFERS

Interfund receivable and payable balances at August 31, 2022 were as follows:

	<u>Receivable Balance</u>	<u>Payable Balance</u>
General Fund:		
Debt Service Funds	\$ -	\$ 398,770
Non-major Governmental Funds	42,796,492	-
Proprietary Funds	<u>171,102</u>	<u>-</u>
Total General Fund	<u>\$ 42,967,594</u>	<u>\$ 398,770</u>
Debt Service Fund:		
General Fund	398,770	-
Non-Major Governmental Funds:		
General Fund	<u>-</u>	<u>42,796,492</u>
Proprietary Funds:		
General Fund	<u>-</u>	<u>171,102</u>
TOTAL	<u>\$ 43,366,364</u>	<u>\$ 43,366,364</u>

From time to time, grant funds, which are on a reimbursement basis, may experience deficit cash balances. The centralized cash disbursement process through the general fund will pay for liabilities incurred until reimbursement is received. Such cash deficits are recorded as interfund payables to the general fund. In addition, the general fund paid for equipment purchased for the Printing Operations internal service fund. This interfund loan is being repaid over several years. The Board of Trustees also authorized transfers to be made from the General Fund's fund balance.

The General Fund subsidized activities whose resources were insufficient to pay for all activities of

- A transfer of \$49,364, from the General Fund to the Capital Projects Fund was authorized by the Board of Trustees in August 2022. A transfer of \$105,000 from the General Fund to the Armored Car Fund was authorized by the Board of Trustees in August 2022. A transfer \$238,568 from the General Fund to the Print Shop fund was authorized by the Board of Trustees in August 2022.
- An additional \$6,000,000 was authorized by the Board of Trustees to defease outstanding debt with fund balance of the Capital Projects fund. This amount was transferred to the Debt Service Fund.
- At September 1, 2021, The District closed the Enterprise Fund which resulted in \$144,066 of net capital assets being transferred to Governmental Activities and the remaining net position of \$806,862 being transferred to the General Fund.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

4. PROPERTY TAXES

In accordance with Texas statutes, the Board of the District approves a tax rate and order to levy taxes in August of each year. Property taxes are billed by the county tax assessor collector as of October 1st in conformity with Subtitle E, Texas Property Tax Code. Taxes are payable on receipt of the tax bill and are delinquent if not paid before February 1st of the year following the year in which imposed. On January 1st of the year following the District's order to levy taxes (the assessment date), a tax lien attaches to property to secure the payment of all taxes, penalties, and interest ultimately imposed. The assessment date represents the date on which an enforceable legal claim arises and attaches as a lien of the assessed property. In the government-wide financial statements, property tax revenue is recognized as earned, net of an allowance for uncollectible taxes. In the governmental fund financial statements, property tax revenues are considered available when they become due and receivable within the current period.

Delinquent taxes are prorated between maintenance and debt service based on rates adopted for the year of levy. Allowances for uncollectible tax receivables within the general and debt service funds are based on historical experience in collecting property taxes. Uncollectible personal property taxes are periodically reviewed and written off, but the District is prohibited from writing off real property taxes without specific statutory authority from the Texas Legislature.

5. CAPITAL ASSETS

A summary of capital asset activity of the District's governmental activities including internal service funds for the year ended August 31, 2022 follows:

	Balance September 1, 2021	Additions	Transfers	Deletions	Balance, August 31, 2022
<u>Capital Assets not being depreciated:</u>

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

7. LONG-TERM LIABILITIES

Bonded Debt Payable

The District issues general obligation bonds for the governmental activities to provide funds for the acquisition and construction of major capital facilities. The bonds are supported by a pledge of the District's full faith and credit and require a levy and collection of taxes without limitation as to rate or amount on all property subject to taxation by the District sufficient in amount to pay the principal and interest on such bonds as they become due. The indentures also require that a debt service fund be created and administered by the District solely for paying principal and interest when due.

Bond indebtedness of the District is reflected in the government-wide financial statements, and current requirements for principal and interest expenditures are accounted for in the Debt Service Fund.

The following is a summary of general obligation bonds payable at August 31, 2022.

Issue Date	Series	Original Amount	Interest Rates	Final Maturity	Outstanding 08/31/22	Due Within One Year
Unlimited Tax School Building Bonds						
06/03/13	2007A	\$ 80,490,000	2.00 - 5.00%		\$ -	\$ -

Total	\$ 2,327,690,000	\$ 1,254,770,047	\$ 3,582,460,047

There are a number of limitations and restrictions contained in the general obligation bond indentures. The District is in compliance with all significant limitations and restrictions at August 31, 2022.

- a. On March 10, 2022, the District issued \$106,110,000 in Unlimited Tax School Building Bonds, Series 2022A. The bonds were issued pursuant to an election held on May 5, 2018 authorizing the issuance of \$848.91 million and an Order adopted by the Board of Trustees on October 26, 2021. This issue represents the fourth issuance from the 2018 authorization. Proceeds from the sale of the bonds will be used to design, acquire, construct, renovate, equip various school facilities, purchase school buses, and pay the cost of issuance of these Bonds. Interest on the bonds will accrue from March 10, 2022 and will be payable on February 15 and August 15 thereafter, commencing on February 15, 2023 and will be calculated on a 360-day year consisting of twelve 30-day months. The bonds carry coupons ranging from 2.75% to 5.00%. The District reserves the right to redeem bonds having stated maturities on and after August 15, 2032, in whole or in part, on August 15, 2031 or any date thereafter.
- b. On March 10, 2022, the District issued \$85,000,000 in Variable Rate Unlimited Tax School Building Bonds, Series 2022B. The bonds were issued pursuant to an election held on May 5, 2018 authorizing the issuance of \$848.91 million and an Order adopted by the Board of Trustees on October 26, 2021. This issue represents the fifth issuance from the 2018 authorization. Proceeds from the sale of the bonds will be used to design, acquire, construct, renovate, equip various school

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

7. LONG-TERM LIABILITIES (Continued)

- c. facilities, purchase school buses, and pay the cost of issuance of these Bonds. The Bonds will bear interest at an Initial Rate from March 10, 2022 through May 31, 2027, with interest being payable initially on December 1, 2022 and will be payable on December 1 and June 1 thereafter through the initial rate period at the rate of 2.00%. Thereafter the bonds will convert to and bear interest a Term Rate determined by the Remarketing Agent provided that the interest rate mode on the Bonds may be changed from time to time to a Term Mode during which the Bonds bear interest at a Term Rate for a period of different duration, or converted to a Fixed Rate until stated maturity.

The Bonds are subject to mandatory tender without the right of retention on the Conversion Date immediately following the end of the Initial Rate Period, which occurs on June 1, 2027. During the Initial Rate Period, the Bonds are not subject to the benefit of a liquidity facility provided by a third party. Accordingly, a failure by the Remarketing Agent to remarket Bonds subject to mandatory tender on the Conversion date at the end of Initial Rate Period will result in the rescission of the notice of mandatory tender with respect thereto and the District not having any obligation to purchase such bonds at that time. The occurrence of the foregoing will not result in an event of default under the Order. Until the District redeems or remarkets the bonds that have been unsuccessfully remarketed, such bonds shall bear interest at the "Stepped Rate", which is defined herein to mean 7.00% per annum.

Worker's Compensation

All funds of the District participate in the Worker's Compensation Insurance Fund and make payments to the Fund based on rates, which reflect historical claims experience. The claims payable of \$2,490,862 reported in the Fund at August 31, 2022 is based on an actuarial study completed in August 2022.

The study was performed to provide claims payable in accordance with the requirements of Governmental Accounting Standards Board Statement No. 10 as amended by GASB Statement No. 30. This standard requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated.

The liability includes provisions for the following:

- cash reserves on open claims
- expected ultimate value of future development on reported claims
- expected ultimate value of claims not yet reported
- expected ultimate value of reopened claims
- allocated loss adjustment expenses

The claims liability reported as accrued claims payable in the accompanying financial statement is based on a discounted rate of 3% in anticipation of the investment income potential.

Changes in Long-term Liabilities

Changes in Long-term liabilities of governmental activities for the year ended August 31, 2022 were as follows:

The General Fund has typically been used to cover the costs to liquidate pension liabilities as that is where primarily all of the costs are paid.

Internal Service Funds serve only the governmental funds of the District. The liability associated with the Worker's Compensation Internal Service Fund is, therefore, included in the above activity. A reconciliation of changes in the aggregate liabilities for worker's compensation claims for the prior and the current year are presented below:

	<u>2022</u>	<u>2021</u>
Beginning of Year Liability	\$ 2,323,896	\$ 2,445,674
Current Year Claims and Changes in Estimates	2,442,377	1,457,015
Claim Payments	<u>(2,275,411)</u>	<u>(1,578,793)</u>
End of Year Liability	<u>\$ 2,490,862</u>	<u>\$ 2,323,896</u>

8. HEALTH CARE COVERAGE

At August 31, 2022, 9,680 employees of the District were covered by an employee benefits health plan. TRS-qualified insurance plan participants were 9,671. The District paid premiums averaging \$659 per month per employee to the plan and employees, at their option, authorized payroll withholdings to pay premiums for dependents. All premiums were paid to a licensed provider. Total premiums paid by the District during the year were \$62,410,536.

9. FUND BALANCE

The fund balance as of August 31, 2022 consists of the following amounts:

NORTHSIDE INDEPENDENT SCHOOL DISTRICT

Nonspendable fund balance results from items that are not in spendable form as of August 31st including inventory and prepaid items. Restricted fund balance consists of items that are legally restricted for specific purposes. The committed fund balance consists of funds designated by the Board of Trustees to be used for specific purposes. Assigned fund balances reflect management intentions to use funds for specific purposes.

10. DEFINED BENEFIT PENSION PLANS

Plan Description

The District participates in a cost-sharing multiple-employer defined benefit pension that has a special funding situation. The plan is administered by the Teacher Retirement System of Texas (TRS). TRS's defined benefit pension plan is established and administered in accordance with the Texas Constitution, Article XVI, Section 67 and Texas Government Code, Title 8, Subtitle C. The pension trust fund is a qualified pension trust under Section 401(a) of the Internal Revenue Code. The Texas Legislature establishes benefits and contribution rates within the guidelines of the Texas Constitution.

The pension's Board of Trustees does not have the authority to establish or amend benefit terms. All employees of public, state-supported educational institutions in Texas who are employed for one-half or more of the standard work load and who are not exempted from membership under Texas Government Code, Title 8, Section 822.002 are covered by the system.

Pension Plan Fiduciary Net Position

Detail information about the Teacher Retirement System's fiduciary net position is available in a separately-issued Annual Comprehensive Financial Report that includes financial statements and required supplementary information. That report may be obtained on the internet at <https://www.trs.texas.gov/TRS%20Documents/acfr-2021.pdf>, or by writing to TRS at 1000 Red River Street, Austin, TX.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

10. DEFINED BENEFIT PENSION PLANS (Continued)

Benefits Provided

TRS provides service and disability retirement, as well as death and survivor benefits, to eligible employees (and their beneficiaries) of public and higher education in Texas. The pension formula is calculated using 2.3% (multiplier) times the average of the five highest annual creditable salaries times years of credited service to arrive at the annual standard annuity except for members who are grandfathered, the three highest annual salaries are used. The normal service retirement is at age 65 with 5 years of credited service or when the sum of the member's age and years of credited service equals 80 or more years. Early retirement is at age 55 with 5 years of service credit or earlier than 55 with 30 years of service credit. There are additional provisions for early retirement if the sum of the member's age and years of service credit total at least 80, but the member is less than age 60 or 62 depending on date of employment, or if the member was grandfathered in under a previous rule. There are no automatic post-employment benefit changes; including automatic COLAs. Ad hoc post-employment benefit changes, including ad hoc COLAs can be granted by the Texas Legislature as noted in the Plan Description section above.

Texas Government Code section 821.006 prohibits benefit improvements, if, as a result of the particular action, the time required to amortize TRS' unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or, if the amortization period already exceeds 31 years, the period would be increased by such action. Actuarial implications of the funding provided in the manner are determined by the System's actuary.

In May, 2019, the 86th Texas Legislature approved the TRS Pension Reform Bill (Senate Bill 12) that provides for gradual contribution increases from the state, participating employers and active employees to make the pension fund actuarially sound. This action causing the pension fund to be actuarially sound, allowed the legislature to approve funding for a 13th check in September 2019. All eligible members retired as of December 31, 2018, received an extra annuity check in either the matching amount of their monthly annuity or \$2,000, whichever was less.

Contributions

Contribution requirements are established or amended pursuant to Article 16, section 67 of the Texas Constitution which requires the Texas legislature to establish a member contribution rate of not less than 6% of the member's annual compensation and a state contribution rate of not less than 6% and not more than 10% of the aggregate annual compensation paid to members of the system during the fiscal year.

Employee contribution rates are set in state statute, Texas Government Code 825.402. The TRS Pension Reform Bill (Senate Bill 12) of the 86th Texas Legislature amended Texas Government Code 825.402 for member contributions and increased employee and employer contribution rates for fiscal years 2020 thru 2025.

<u>Contribution Rates</u>	<u>2021</u>	<u>2022</u>
Member	7.70%	8.00%
Non-Employer Contributing Entity (State)	7.50%	7.75%
Employers	7.50%	7.75%

10. DEFINED BENEFIT PENSION PLANS (Continued)

	<u>2021</u>	<u>2022</u>
Northside ISD Employer Contributions	\$23,034,957	\$27,327,211
Northside ISD Member Contributions	\$40,670,142	\$44,233,002
Northside ISD NECE On-behalf Contributions	\$54,517,111	\$59,098,330

Contributors to the plan include members, employers and the State of Texas as the only non-employer contributing entity. The State is the employer for senior colleges, medical schools and state agencies including TRS. In each respective role, the State contributes to the plan in accordance with state statutes and the General Appropriations Act (GAA).

As the non-employer contributing entity for public education and junior colleges, the State of Texas contributes to the retirement system an amount equal to the current employer contribution rate times the aggregate annual compensation of all participating members of the pension trust fund during that fiscal year reduced by the amounts described below which are paid by the employers. Employers (public school, junior college, other entities or the State of Texas as the employer for senior universities and medical schools) are required to pay the employer contribution rate in the following instances:

- On the portion of the member's salary that exceeds the statutory minimum for members entitled to the statutory minimum under Section 21.402 of the Texas Education Code.
- During a new member's first 90 days of employment.
- When any part or all of an employee's salary is paid by federal funding sources, a privately sponsored source, from non-educational and general, or local funds.
- When the employing district is a public junior college or junior college district, the employer shall contribute to the retirement system an amount equal to 50% of the state contribution rate for certain instructional or administrative employees; and 100% of the state contribution rate for all other employees.

In addition to the employer contributions listed above, there is an additional surcharge an employer is subject to:

- All public schools, charter schools, and regional educational service centers must contribute 1.5% of the member's salary beginning in fiscal year 2020, gradually increasing to 2% in fiscal year 2025.
- When employing a retiree of the Teacher Retirement System the employer shall pay both the member contribution and the state contribution as an employment after retirement surcharge.

Actuarial Assumptions

The total pension liability in the August 31, 2020 actuarial valuation was determined using the following actuarial assumptions:

Valuation Date	August 31, 2020 rolled forward to August 31, 2021
Actuarial Cost Method	Individual Entry Age Normal
Asset Valuation Method	Market Value
Single Discount Rate	7.25%
Long-term expected Investment Rate of Return	7.25%
Inflation	2.3%

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

10. DEFINED BENEFIT PENSION PLANS (Continued)

Salary Increases including inflation	3.05% to 9.05%
Ad hoc post-employment benefit changes	None

The actuarial methods and assumptions are used in the determination of the total pension liability are the same assumptions used in the actuarial valuation as of August 31, 2020. For a full description of these assumptions please see the actuarial valuation report dated November 14, 2019.

Discount Rate

A single discount rate of 7.25% was used to measure the total pension liability. The single discount rate was based on the expected rate of return on plan investments of 7.25%. The projection of cash flows used to determine this single discount rate assumed that contributions from active members, employers and the non-employer contributing entity will be made at the rates set by the legislature during the 2019 session. It is assumed that future employer and state contributions will be 8.50% of payroll in fiscal year 2020 gradually increasing to 9.55% of payroll over the next several years. This includes all employer and state contributions for active and rehired retirees.

Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

The long-term rate of return on pension plan investments is 7.25%. The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimates ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of geometric real rates of return for each major asset class included in the Systems target asset allocation as of August 31, 2021, (see page 53 of the TRS ACFR) are summarized below:

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

10. DEFINED BENEFIT PENSION PLANS (Continued)

At August 31, 2022, the District reported a liability of \$298,608,482 for its proportionate share of the TRS's net pension liability. This liability reflects a reduction for State pension support provided to the District. The amount recognized by the District as its proportionate share of the net pension liability, the related State support, and the total portion of the net pension liability that was associated with the District were as follows:

District's proportionate share of the collective net pension liability	\$137,638,982
State's proportionate share that is associated with District	232,636,921
Total	\$370,275,903

The net pension liability was measured as of August 31, 2020 and rolled forward to August 31, 2021 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The employer's proportion of the net pension liability was based on the employer's contributions to the pension plan relative to the contributions of all employers to the plan for the period September 1, 2020 thru August 31, 2021.

At August 31, 2021, the District's proportion of the collective net pension liability was 0.7855117% which was an increase of 0.0002177% from its proportion measured as of August 31, 2020.

Changes Since the Prior Actuarial Valuation

There were no changes in assumptions since the prior measurement date.

For the year ended August 31, 2022, the District recognized pension expense of \$27,327,211 and revenue of \$27,327,211 for support provided by the State.

At August 31, 2022, the District reported its proportionate share of the TRS deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual economic experience	230,335	9,689,893
Changes in actuarial assumptions	48,652,691	21,208,401
Difference between projected and actual investment earnings	-	115,408,500
Changes in proportion and difference between the employer's contributions and the proportionate share of contributions	679,715	30,901,754
Contributions paid to TRS subsequent to the measurement date	27,327,211	
Total	\$ 76,889,952	\$ 177,208,548

Deferred outflows of resources in the amount of \$27,327,211 related to pension that resulted from contributions made subsequent to the measurement date will be recognized as a reduction of the net pension liability for the fiscal year ending September 30, 2023. Other amounts reported as deferred outflows and inflows of resources related to pension will be recognized in pension expense as follows:

11. DEFINED OTHER POST-EMPLOYMENT BENEFIT PLANS

Plan Description

The District participates in the Texas Public School Retired Employees Group Insurance Program (TRS-Care). It is a multiple-employer, cost-sharing defined Other Post-Employment Benefit (OPEB) plan with a special funding situation. The plan is administered through a trust by the Teacher Retirement System of Texas (TRS) Board of Trustees. The TRS-Care program was established in 1986 by the Texas Legislature.

The TRS Board of Trustees administers the TRS-Care program and the related fund in accordance with the Texas Insurance Code Chapter 1575. The Board of Trustees is granted the authority to establish basic optional group insurance coverage for participants as well as to amend benefit terms as needed under Chapter 1575.052. The Board may adopt rules, plans, procedures, and orders reasonably necessary to administer the program, including minimum benefits and financing standards.

OPEB Plan Fiduciary Net Position

Detail information about the TRS-Care's fiduciary net position is available in the separately issued TRS Annual Comprehensive Financial Report that includes financial statements and required supplementary information. That report may be obtained by writing to TRS at 1000 Red River Street, Austin, TX, 78701-2698; or by calling (512) 542-6592. It can also be obtained on the internet at: <https://www.trs.texas.gov/TRS%20Documents/acfr-2021.pdf>

Benefits Provided

TRS-Care provides a basic health insurance coverage to retirees from public schools, charter schools, regional education service centers and other educational districts who are members of the TRS pension plan. Optional dependent coverage is available for an additional fee.

Eligible non-Medicare retirees and their dependents may enroll in TRS-Care Standard, a high-deductible health plan. Eligible Medicare retirees and their dependents may enroll in the TRS-Care Medicare Advantage medical plan and the TRS-Care Medicare Rx prescription drug plan. To qualify for TRS-Care coverage, a retiree must have at least 10 years of service credit in the TRS pension system. There are no automatic post-employment benefit changes; including automatic COLAs.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

11. DEFINED OTHER POST-EMPLOYMENT BENEFIT PLANS (Continued)

The premium rates for retirees are reflected in the following table.

TRS-Care Monthly Premium Rates			
	Medicare		Non-Medicare
Retiree*	\$	135	\$ 200
Retiree and Spouse		529	689
Retiree* and Children		468	408
Retiree and Family		1,020	999

*or surviving spouse

Contributions

Contribution rates for the TRS-Care plan are established in state statute by the Texas Legislature, and there is no continuing obligation to provide benefits beyond each fiscal year. The TRS-Care plan is currently funded on a pay-as-you-go basis and is subject to change based on available funding. Funding for TRS-Care is provided by retiree premium contributions and contributions from the state, active employees, and school districts based upon public school district payroll. The TRS Board of Trustees does not have the authority to set or amend contribution rates.

Texas Insurance Code, section 1575.202 establishes the state's contribution rate which is 1.25% of the employee's salary. Section 1575.203 establishes the active employee's rate which is .65% of pay. Section 1575.204 establishes an employer contribution rate of not less than 0.25% or not more than 0.75% of the salary of each active employee of the public. The actual employer contribution rate is prescribed by the Legislature in the General Appropriations Act. The following table shows contributions to the TRS-Care plan by type of contributor.

	<u>Contribution Rates</u>	
	<u>2021</u>	<u>2022</u>
Active Employee	0.65%	0.65%
Non-Employer Contributing Entity (State)	1.25%	1.25%
Employers	0.75%	0.75%
Federal/private Funding remitted by Employers	1.25%	1.25%
Employer # 015915 - Employer Contributions	\$ 5,825,320	\$ 6,301,593
Employer # 015915 - Member Contributions	\$ 4,602,094	\$ 4,801,739
Employer # 015915 - NECE On-behalf Contributions	\$ 6,778,357	\$ 7,134,355

In addition to the employer contributions listed above, there is an additional surcharge all TRS employers are subject to (*regardless of whether or not they participate in the TRS Care OPEB program*). When hiring a TRS retiree, employers are required to pay TRS Care a monthly surcharge of \$535 per retiree.

Actuarial Assumptions

The actuarial valuation was performed as of August 31, 2020. Update procedures were used to roll

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

11. DEFINED OTHER POST-EMPLOYMENT BENEFIT PLANS (Continued)

forward the Total OPEB Liability to August 31, 2021. The actuarial valuation was determined using the following actuarial assumptions: *Actuarial assumptions can be found in the 2021 TRS ACFR, Note 9, page 76.*

The actuarial valuation of the OPEB plan offered through TRS-CARE is similar to the actuarial valuation performed for the pension plan, except that the OPEB valuation is more complex. All the demographic assumptions, including rates of retirement, termination, and disability, and most of the economic assumptions, including general inflation and salary increases, used in the OPEB valuation were identical to those used in the respective TRS pension valuation. The demographic assumptions were developed in the experience study performed for TRS in the period ending August 31, 2017.

The active mortality rates were based on 90% of the RP-2014 Employee Mortality Tables for males and females, with full generational mortality using Scale BB. The post-retirement mortality rates for healthy lives were based on the 2018 TRS of Texas Healthy Pensioner Mortality Tables. The rates were projected on a fully generational basis using the ultimate improvement rates from mortality projection scale MP-2018.

Additional Actuarial Methods and Assumptions:

Valuation Date	August 31, 2020 rolled forward to August 31, 2021
Actuarial Cost Method	Individual Entry Age Normal
Inflation	2.30%
Single Discount Rate	1.95% as of August 31, 2021
Aging Factors	Based on plan specific experience
Expenses	Third party administrative expenses related to the delivery of health care benefits are included in the age-adjusted claims costs.
Projected Salary Increases	3.05% to 9.05%, including inflation
Healthcare Trend Rates	3.05% to 9.00%
Ad hoc post-employment benefit changes	None

Discount Rate

A single discount rate of 1.95% was used to measure the Total OPEB Liability. There was a decrease of 0.38% in the discount rate since the previous year. *The Discount Rate can be found in the 2021 TRS ACFR on page 77.* Because the plan is essentially a “pay-as-you-go” plan, the single discount rate is equal to the prevailing municipal bond rate. The projection of cash flows used to determine the discount rate assumed that contributions from active members and those of the contributing employers and the non-employer contributing entity are made at the statutorily required rates. Based on those assumptions, the OPEB plan’s fiduciary net position was projected to **not be able** to make all future benefit payments of current plan members. Therefore, the municipal bond rate was used for the long-term rate of return and was applied to all periods of projected benefit payments to determine the total OPEB liability.

The source of the municipal bond rate is the Fidelity “20-year Municipal GO AA Index” as of August 31, 2021 using the fixed-income municipal bonds with 20 years to maturity that include only federally tax-

11. DEFINED OTHER POST-EMPLOYMENT BENEFIT PLANS (Continued)

exempt municipal bonds.

Discount Rate Sensitivity Analysis

The following schedule shows the impact of the Net OPEB Liability if the discount rate used was 1 percentage point lower than and 1 percentage point higher than the discount rate that was used (1.95%) in measuring the Net OPEB Liability.

	1% Decrease in Discount Rate (.95%)	Current Single Discount Rate (1.95%)	1% Increase in Discount Rate (2.95%)
District's proportionate share of the Net OPEB Liability:	\$ 347,621,419	\$ 288,188,237	\$ 241,412,388

OPEB Liabilities, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEBs

At August 31, 2021, the District reported a liability of \$288,188,237 for its proportionate share of the TRS's Net OPEB Liability. This liability reflects a reduction for State OPEB support provided to the District. The amount recognized by the District as its proportionate share of the net OPEB liability, the related State support, and the total portion of the net OPEB liability that was associated with the District were as follows:

District's proportionate share of the collective net pension liability	\$288,188,237
State's proportionate share that is associated with District	386,108,013
Total	\$674,296,250

The Net OPEB Liability was measured as of August 31, 2020 and rolled forward to August 31, 2021 and the Total OPEB Liability used to calculate the Net OPEB Liability was determined by an actuarial valuation as of that date. The District's proportion of the Net OPEB Liability was based on the District's contributions to OPEB relative to the contributions of all employers to the plan for the period September 1, 2020 thru August 31, 2021.

At August 31, 2021 the District's proportion of the collective Net OPEB Liability was 0.747095800% compared to 0.785511732% as of August 31, 2020.

The following schedule shows the impact of the Net OPEB Liability if a healthcare trend rate that is 1% less than and 1% greater than the assumed rate is used.

	1% Decrease in Healthcare Trend Rate	Current Healthcare Trend Rate	1% Increase in Healthcare Trend Rate
District's proportionate share of the Net OPEB Liability:	\$ 233,422,922	\$ 288,188,237	\$ 361,669,686

Changes Since the Prior Actuarial Valuation – The following were changes to the actuarial assumptions or other inputs that affected measurement of the Total OPEB liability (TOL) since the prior measurement

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

11. DEFINED OTHER POST-EMPLOYMENT BENEFIT PLANS (Continued)

period: *These can be found in the TRS ACFR on page 77.*

- The single discount rate changed from 2.33% as of August 31, 2020 to 1.95% as of August 31, 2021. This change increased the Total OPEB Liability.

The amount of OPEB expense recognized by the District in the reporting period was (\$14,250,335) and revenue of (\$2,786,185) for support provided by the State.

At August 31, 2022, the District reported its proportionate share of the TRS's deferred outflows of resources and deferred inflows of resources related to other post-employment benefits from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual economic experience	\$ 12,407,868	\$ 139,503,268
Changes in actuarial assumptions	31,920,231	60,946,478
Difference between projected and actual investment earnings	312,879	-
Changes in proportion and Differences between the District's contributions and proportionate share of contributions	18,510,178	36,215,291
Contributions paid to TRS subsequent to the measurement date	6,301,593	-
Total	\$ 69,452,749	\$ 236,665,037

Deferred outflows of resources in the amount of \$6,301,593 related to OPEB that resulted from contributions made subsequent to the measurement date will be recognized as a reduction of the net OPEB liability for the fiscal year ending September 30, 2023. Other amounts reported as deferred outflows and inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year ended August 31:	OPEB Expense Amount
2023	\$ (31,560,389)
2024	\$ (31,567,446)
2025	\$ (31,565,514)
2026	\$ (23,979,620)
2027	\$ (13,709,684)
Thereafter	\$ (41,131,228)
Total	\$ (173,513,881)

12. RISK MANAGEMENT

Equipment Insurance

The District maintains an Equipment Insurance Fund, an internal service fund, to account for and finance its uninsured risks of loss in the event of theft or vandalism of certain District equipment and supplies. Under this program, the fund provides coverage for up to a maximum of \$25,000 in the aggregate per year. The District purchases commercial insurance for claims in excess of coverage provided by the fund. Settled claims have not exceeded this commercial coverage for each of the past three fiscal years. In addition, historical losses in the Equipment Insurance Fund have not been material

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

12. RISK MANAGEMENT (Continued)

to the financial statements; therefore, accrued liabilities are not recorded in this fund.

Unemployment Insurance

The District maintains an Unemployment Insurance Fund, an internal service fund, to account for and finance its uninsured risks of loss for unemployment compensation benefits. It is the District's policy not to pay for unemployment insurance premiums for the risks of losses to which it is exposed. Instead, the District management believes it is more economical to manage its risks internally and set aside assets for unemployment compensation benefits in this fund. The District pays the Texas Workforce Commission on a reimbursement basis for unemployment compensations paid to qualifying employees. Historical losses in the unemployment insurance fund have not been material to the financial statements; therefore, accrued liabilities are not recorded in this fund.

Worker's Compensation

The District maintains a Worker's Compensation Insurance Fund, an internal service fund, to account for and finance its uninsured risks of loss for worker's compensation coverage. Under this program, the fund provides coverage for up to a maximum per occurrence of \$500,000. The District purchases stop-loss coverage through a commercial insurer for claims in excess of coverage provided by the fund. Settled claims have not exceeded this stop-loss coverage for each of the past three fiscal years.

Casualty Liability

In July 2017, the District moved from a deductible insurance plan to a self-insured Plan for liability claims. Due to the change, the District maintains a Casualty Liability Insurance fund to account and finance its uninsured risks of loss pertaining to auto liability, educator's legal liability and general liability. Under this program, the fund provides coverage for up to a maximum per occurrence of \$50,000. The District purchases excess liability insurance through a commercial insurer for claims in excess of coverage provided by the fund. Settled claims have not exceeded this stop-loss coverage since inception of the self-insured program which is accounted for in the general fund.

13. CONTINGENCIES AND COMMITMENTS

Legal Proceedings

The District is a defendant in several lawsuits for claims filed against it. In the best judgment of the District's management in consultation with legal counsel, the accompanying financial statements will not be affected materially by the outcome of any of these proceedings and therefore no loss contingency has been recorded.

14. MEDICARE PART D

The Medicare Prescription Drug, Improvement, and Modernization Act of 2003, which was effective January 1, 2006, established prescription drug coverage for Medicare beneficiaries known as Medicare Part D. One provision of the law allows for the Texas Public School Retired Employee Group Insurance Program (TRS-Care) to receive retiree drug subsidy payments from the federal government to offset certain prescription drug expenditures for eligible participants. These payments totaled \$3,083,969, \$3,148,632, and \$3,109,916 for fiscal years 2022, 2021, and 2020, respectively.

15. DUE FROM OTHER GOVERNMENTS

The District participates in a variety of federal and state programs from which it receives grants to partially or fully finance certain activities. In addition, the District receives entitlements from the State

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

15. DUE FROM OTHER GOVERNMENTS (Continued)

through the School Foundation and Per Capita Programs. Most federal grants shown below are passed through from the Texas Education Agency and are reported on the basic financial statements as Due from Other Governments.

Amounts due from federal and state governments as of August 31, 2022, are summarized below:

Fund	Inter-local	State Entitlements	Federal Grants	Total
General Fund	\$ 5,000	\$ 12,365,131	\$ 637,155	\$ 13,007,286
Debt Service Fund	-	194,496	-	194,496
Nonmajor Governmental Funds	-	20,106	49,352,144	49,372,250
Total	\$ 5,000	\$ 12,579,733	\$ 49,989,299	\$ 62,574,032

16. SHARED SERVICE ARRANGEMENTS

The District is the fiscal agent for four shared service arrangements (SSA) that provide special education teachers and instructional assistants to member districts. In addition to the District, there are 2 other member districts. The following are the SSA revenue and expenditures:

	315 SSA IDEA Programs	435 SSA Regional Day School - Deaf
Revenue:		
Distributed by TEA	\$ 86,844	\$ 222,752
Total Revenues	\$ 86,844	\$ 222,752
Expenditures:

Finance Related Legal and Contractual Provisions

In accordance with GASB Statement No. 38, "Certain Financial Statement Note Disclosures", violations of finance-related legal and contractual provisions, if any, are reported below, along with actions taken to address such violations:

<u>Violation</u>	<u>Action Taken</u>
None reported	Not applicable

20. NEW ACCOUNTING PRONOUNCEMENTS

Implementation of New Accounting Standards

GASB Statement No. 87, *Leases* (GASB 87), establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under GASB 87, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. The

NON-MAJOR GOVERNMENTAL FUNDS SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for Federal, State, and locally funded grants. These grants, referred to as projects, are awarded to the Northside Independent School District with the purpose of accomplishing specific educational tasks.

MCKINNEY-VENTO HOMELESS ASSISTANCE ACT, Title VII - EDUCATION FOR THE HOMELESS CHILDREN AND YOUTH (206) provides for a variety of staff development and supplemental services, including in-service training, counseling, psychological services, and tutoring for homeless students.

TITLE I, PART A – IMPROVING BASIC PROGRAMS (211) funds are allocated to provide opportunities for educationally disadvantaged children to acquire the knowledge and skills contained in the challenging State content standards and to meet the challenging State performance standards developed for all children. Campuses are supported in implementing either a schoolwide program or a targeted assistance program. Costs supplement, not replace, normal local effort.

ADULT BASIC EDUCATION GRANTS (220) are used to provide or support programs for educational services to adults who are beyond compulsory school attendance age, are not enrolled in school and function at less than secondary completion level. Educational services include basic education skills (reading, writing, speaking, and mathematics), English as a Second Language, secondary level competencies for acquisition of a high school diploma or equivalent, and site based workplace Literacy programs.

TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF) (223) is granted to provide education services to undereducated adult recipients of cash assistance under Temporary Assistance for Needy Families (TANF). Recipients of benefits are required to participate in adult basic education or job training programs as a condition of eligibility. Educational services include basic educational skills (reading, writing, speaking, and mathematics), English as a Second Language instruction and secondary level competencies for acquisition of a high school diploma or its equivalent.

IDEA - PART B, FORMULA (224) is granted to operate educational programs for children with disabilities, ages 3-21.

IDEA - PART B PRESCHOOL (225) is granted to operate programs to meet the special needs of preschool children with disabilities.

NATIONAL BREAKFAST & LUNCH PROGRAM – CHILD NUTRITION (240) accounts for all food services activity of the District. Major revenue sources include National School Lunch and Breakfast program, the Adult Care Food Program and U.S.D.A. donated commodities.

CAREER AND TECHNICAL EDUCATION – BASIC GRANT (244) provides high school students modern, impactful, and rigorous, career and technical program which can serve to close performance caps while simultaneously preparing students for post-secondary success.

TITLE II, PART A – SUPPORTING EFFECTIVE INSTRUCTION (255) funds are utilized for recruiting, hiring, and retaining effective teachers and principals. The Grant provide high quality training and personalized professional development for teachers, instructional leadership teams, and principals.

TITLE III, PART A - ENGLISH LANGUAGE ACQUISITION AND LANGUAGE ENHANCEMENT GRANTS (263) provides supplemental resources to help ensure that children who are limited English proficient and immigrant children and youth attain English proficiency at high levels in core academic subjects and can meet state mandated achievement performance standards.

21ST CENTURY COMMUNITY LEARNING CENTERS (265) funds are used to provide opportunities for communities to establish or expand activities in community learning centers that provide opportunities for academic enrichment to students and related educational development for families of students.

ELEMENTARY AND SECONDARY SCHOOL EMERGENCY RELIEF (ESSER I) – Coronavirus Aid, Relief, and Economic Security Act (CARES) (266) are funds awarded for the intent and purpose of the CARES Act education funding to prevent, prepare for, and respond to the coronavirus.

MEDICAID ADMINISTRATIVE CLAIMING PROGRAM (272) is program funds authorized through the state's Medicaid plan and are reimbursed for eligible administrative costs and allocated for approved Medicaid related expenditures.

AMERICAN RESCUE PLAN ELEMENTARY AND SECONDARY SCHOOL EMERGENCY RELIEF (ESSER) FUND – HOMELESS I - CHILDREN AND YOUTH (ARP-HCY) (278) are funds used to identify and remove barriers for children and youth experiencing homelessness and ensure that students in these circumstances have equitable access to all available supports and resources to meet the same challenging state academic standards established for all students.

TEXAS COVID LEARNING ACCELERATION SUPPORTS (TCLAS) ELEMENTARY AND SECONDARY SCHOOL EMERGENCY RELIEF FUND III (ESSER III) OF THE AMERICAN RESCUE PLAN ACT OF 2021 (279) are funds use to for accelerate student learning in the wake of the COVID-19 pandemic.

AMERICAN RESCUE PLAN ELEMENTARY AND SECONDARY SCHOOL EMERGENCY RELIEF (ESSER) FUND – HOMELESS II - CHILDREN AND YOUTH (ARP-HCY) - (280) are funds used to identify, enroll, and provide wraparound services to address the unique needs of homeless children and youth due to the impact of the COVID-19 pandemic.

ELEMENTARY AND SECONDARY SCHOOL EMERGENCY RELIEF FUND (ESSER II) OF THE CORONAVIRUS RESPONSE AND RELIEF SUPPLEMENTAL APPROPRIATIONS (CRRSA Act) (281) are funds awarded for the intent and purpose of the American Rescue Plan (ARP) education funding of 2021 to help safely reopen and sustain the safe operation of schools and address the impact of the coronavirus pandemic on students.

ELEMENTARY AND SECONDARY SCHOOL EMERGENCY RELIEF FUND III (ESSER III) OF THE AMERICAN RESCUE PLAN ACT OF 2021 (ARP) (282) are funds awarded for the intent and purpose of the American Rescue Plan (ARP) education funding of 2021 to help safely reopen and sustain the safe operation of schools and address the impact of the coronavirus pandemic on students.

IDEA-PART B, FORMULA - AMERICAN RESCUE PLAN ACT OF 2021 (ARP) (284) supplemental funding granted to operate educational programs for children with disabilities, ages 3-21.

IDEA-PART B, PRESCHOOL - AMERICAN RESCUE PLAN ACT OF 2021 (ARP) (285) supplemental funding granted to operate programs to meet the special needs of preschool children with disabilities.

OTHER FEDERALLY FUNDED SPECIAL REVENUE FUNDS (289) are grants awarded through the Texas Education Agency are: **TITLE IV, PART A STUDENT SUPPORT AND ACADEMIC ENRICHMENT** and the **COVID-19 SCHOOL HEALTH SUPPORT GRANT**. Other Federally funded grants are awarded from direct federal agency sources: From the Department of Agriculture, the **NATURAL RESOURCES CONSERVATION SERVICES GRANT** and the **FARM TO SCHOOL GRANT PORGRAM**. **EMERGENCY CONNECTIVITY FUND PROGRAM** granted to provide schools and libraries with technology resources; laptop or tablet computers, and/or Wi-Fi hotspots.

SSA – IDEA – PART B, DISCRETIONARY (315) is used by the fiscal agent of a shared services arrangement to account for funds to support an education service center basic special education component.

ADULT BASIC EDUCATION – STATE (381) are granted to provide or support programs for educational services to adults who are beyond compulsory school attendance age, are not enrolled in school and function at less than secondary completion level. Educational services include basic educational skills, (reading, writing, speaking, and mathematics), English as Second Language instruction, and secondary level competencies for acquisition of a high school diploma or equivalent.

SUPPLEMENTAL SERVICES FOR THE VISUALLY IMPARIED (SSVI) – STATE (385) are granted to provide or support programs for serving students with visual impairments. SSVI are provided in accordance with the comprehensive regional plan developed through collaboration with school districts and other stakeholders. Services may include specialized training or technical assistance.

NON-EDUCATIONAL COMMUNITY BASED SUPPORT (392) funds are used to provide for non-educational support such as transportation, respite for parents, case management, social work, and in-home family support. Emphasis is on keeping at-risk handicapped children at home as opposed to placing them in a residential facility.

ADVANCED PLACEMENT INCENTIVES (397) are funds awarded to high schools under the Texas Advanced Placement Award Incentive Program are based on student achievement on advanced placement tests. They are used to enhance Advanced Placement/International Baccalaureate programs at the recipient campuses.

STATE INSTRUCTIONAL MATERIALS FUND (410) Instructional Materials Allotment program funds are awarded to the School District for the adoption, review, and purchase of instructional materials and technological equipment for public schools. The **Technology Lending Grant** loans students the equipment necessary to access and use digital instructional materials.

OTHER STATE SPECIAL REVENUE FUNDS (429) are funds received from various state agencies: From the Texas Education Agency: **READING AND MATH ACADEMIES** are stipends to be paid to eligible teachers who successfully complete literacy achievement, reading to learn, or math academies; **READ TO SUCCEED** is a program which funds are generated through the sale of specialty license plates; **PROJECT ACORN** funds received from Texas Parks and Wildlife Department for students to learn about the natural resources around them; **DYSLEXIA GRANT AWARD GRANT** funds are used to provide high-quality training to classroom teachers and administrators in meeting the needs of students with dyslexia and/or training to intervention staff resulting in appropriate credentialing related to dyslexia and the **SCHOOL SAFETY AND SECURITY GRANT** funds used to enhance district emergency response plan.

SSA - REGIONAL DAY SCHOOL FOR THE DEAF (RDSPD) (435) funds are allocated for staff and activities of the Regional Day School Program for the Deaf.

CAMPUS ACTIVITY FUNDS (461) are used to account for revenues and expenditures related to campus activity when the monies are generated by students or other outside organizations.

NORTHSIDE EDUCATION FOUNDATION GRANTS (486) are awarded by the Northside Education Foundation to teachers, campuses and/or departments to promote school projects and educational programs.

GROWING TREE DAY CARE (491) program funds are used to support day care for the children of students/parents.

OTHER LOCAL SPECIAL REVENUE FUNDS (499) accounts for other local programs which include grants from the following: CAST Tech, Fit Family Challenge, Methodist Healthcare System, Aquatics Movie Night, HEB Grants, Spurs Foundation, San Antonio Sports, Impact-San Antonio, Capital Group Companies Charitable Foundation, Naiser Grants, Lowe's, PTA Donations, Tesoro, Library Palooza, Raba Library Donation, Tubbs Charitable, Pepsi Co., Charity Ball and others.

INTERNAL SERVICE FUNDS

Internal Service Funds are used to account for the financing of goods and services provided by certain departments in the District to other departments of the District on a cost-reimbursement basis:

Printing Operations Fund (752) is used to account for the operations of the District's printing services department. Revenue is generated from services rendered to the schools and various departments within the District.

Worker's Compensation Insurance Fund (770) is used to account for operations of the District's self-insurance program. Premiums are collected from the various departments within the District based on predetermined experience rates. Claims are paid from the proceeds of the premiums through this fund.

Equipment Insurance Fund (771) is used to account for the replacement of lost and stolen equipment of the District. Revenue for this fund is appropriated in the District's operating budget in lieu of premiums paid to an insurance company.

Armored Car Service Fund (772) is used to account for the operations of the District's cash pick up and delivery services to schools and departments. Service charges are based on the amount of deliveries to each location within the District.

Unemployment Insurance Fund (780) is used to account for operations of the District's self-insured unemployment compensation program.

CUSTODIAL FUNDS

The District accounts for resources held for others in a custodial capacity. The District's custodial funds are as follows:

Student Activities Fund (865) is used to account for the receipt and disbursement of funds for school approved activities of the various student groups and organizations at each school campus. These activities promote the general welfare of the school and educational development and morale of the students.

University Interscholastic League Fund (893) serves as a clearing account for receipts and disbursements associated with the regional administration of the University Interscholastic League. Students participate in interschool competition in academic and athletic events.

(1) Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the District. The percentage of overlapping debt is estimated using taxable assessed property values. Percentages were estimated by determining the portion of the overlapping taxing authorities taxable assessed value that is within the District's boundaries and dividing it by the overlapping taxing authorities' total taxable assessed value.

Source: Department of Resource Planning of Northside Independent School District

- (1) All figures rounded to 1000s. All figures through 2018 are the mid year of the 5-yr ACS. 2020 is from PL 94-171. Then 2019 was interpolated with 2021 and 2022 based on recent 3-yr growth rate.
- (2) All figures rounded to 1000s. All figures through 2017 are the mid year of the 5-yr ACS. For 2018 on, because of the discrepancy between the recent two decennial censuses and the ACS, a PPH of 2.88 was used.
- (3) Birth figures come from the San Antonio Metropolitan Health District. The San Antonio Metropolitan Health District has not been able to provide births by census tract after 2019. Therefore, 2020 (2019-20 school year) on are estimates.

2019-20 TEA data adjusted for COVID Hold Harmless & ESSER Reduction figures: Hold Harmless = 98,854 ADA for Historical full 6 week ADA; ESSER Reduction = 96,342.957. ** 2020-21 PEIMS ADA = 97,552.996 (@96.5%), PEIMS CAP = 95,669.953 (0.947/.965 = 0.981) , HOLD HARMLESS = 99,660.171 , ESSER REDUCTION = 96,670.577. 2021-22 -- No adjustment for enrollment. However, adjusted operational minutes due to low attendance rate for first four six-weeks periods.

FEDERAL AWARDS SECTION

**Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed
in Accordance with Government Auditing Standards**

To the Board of Trustees
Northside Independent School District
San Antonio, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the Northside Independent School District (the District), as of and for the year ended August 31, 2022 which collectively comprise the District's basic financial statements, and have issued our report thereon dated January 24, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Board of Trustees
Northside Independent School District

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Weaver and Tidwell, L.L.P.

WEAVER AND TIDWELL, L.L.P.

Austin, Texas
January 24, 2023

**Independent Auditor's Report on Compliance for Each
Major Program and on Internal Control Over Compliance In
Accordance with Uniform Guidance and the State of Texas
Uniform Grant Management Standards**

To the Board of Trustees
Northside Independent School District
San Antonio, Texas

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Northside Independent School District's (the District) compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Compliance Supplement that could have a direct and material effect on each of the District's major federal programs for the year ended August 31, 2022. The District's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the District complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended August 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards, Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the District's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the District's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the District's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the District's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the District's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

The Board of Trustees
Northside Independent School District

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

August 31, 2022

1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of the District under programs of the federal government for the year ended August 31, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Northside Independent School District, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the District.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

3. INDIRECT COST RATE

The District has elected not to use the 10% de minimis indirect cost rate allowed under Uniform Guidance.

The USDE has given TEA authority to issue indirect cost rates for ISD's. To recover any indirect costs, the District must request and receive new indirect cost rates for every school year allowed by the Uniform Guidance Part 200.57.

4. BASIS OF FUNDING

Federal funding for Food Services under child nutrition programs is primarily based upon the number and type of meals served and in user charges as reported to the US Department of Agriculture. Federal funding received related to various grant programs is based upon periodic reports detailing reimbursable expenditures made in compliance with the program guidelines to the grantor agencies. The programs are governed by various rules and regulations of the grantors. Amounts received and receivable under these various funding programs are subject to periodic audit and adjustment by the funding agencies. To the extent, if any, that the District has not complied with all the rules and regulations with respect to performance, financial or otherwise, adjustment to or return of funding monies may be required. In the opinion of the District's management, there are no significant contingent liabilities relating to matters of compliance and, accordingly, no provision has been made in the basic financial statements for such contingences.

5. RECONCILIATION TO BASIC FINANCIAL STATEMENTS

The following table is a reconciliation of federal awards per Exhibit K-1 and federal revenues reported on Exhibit C-2 of the District's Annual Comprehensive Financial Report:

Total expenditures of federal awards per Exhibit K-1	\$ 228,626,914
Federal revenue recorded in the general fund	
Medicaid School Health and Related Services	24,370,990
E-rate Program	578,031
Federal revenue recorded in the capital projects fund	
E-rate Program	238,510
Federal program revenue reported on Exhibit C-2	\$ 253,814,445

NORTHSIDE INDEPENDENT SCHOOL DISTRICT
San Antonio, Texas

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

August 31, 2022

Exhibit K-1 also includes \$4,630,920 in prior year expenditures originally recorded in the capital projects fund related to the Covid-19 Emergency Connectivity Fund Program.
