

Annemarie Tennis Center

Annemarie Murillo directed and supervised the Northside ISD Tennis Center from 1992-2004. In that time she touched the lives of hundreds of Northside patrons of all ages.

Annemarie strongly believed in the immediate and long-lasting benefits of tennis in the lives of young people. She worked tirelessly to find ways to provide an opportunity for any child to learn and play who had an interest or desire to do so. She gave of her own time and resources to provide equipment and instruction for kids who could not afford it otherwise.

To the coaches and players of the school teams in NISD she will be remembered for her calm presence, a never ending source of encouragement, and her amazing selfless attitude. All who came in contact with her were captivated by her perpetual optimism.

Annemarie's great hope and dream was realized with the construction of this building and eight additional tennis courts. She believed that such a facility would attract innumerable new kids and adults alike to explore the game she loved. She was right.

In the spirit she established, **THE ANNEMARIE TENNIS CENTER continues to flourish.**
