Text the message @a2k269 to this number 81010

PART 2: Read a Book

Read **one** of the following books and be prepared to discuss it with others in the class who read the same book. Each of these is available through Amazon for purchase. Some may be available in limited quantities at Half Price Books. ALL of these are available in electronic form through the San Antonio Public Library.

A World Lit Only By Fire by William Manchester

Brunelleschi's Dome, How a Renaissance Genius Reinvented Architecture by Ross King

Galileo's Daughter by Dava Sobel

As you read, keep in mind:

College Board has chosen the year 1450 to begin this course. What elements of your book align with that date? Consider Continuity and Change Over Time as you formulate your answer. This will be the Essential Question during your book discussion.

PART 3: Watch Crash Course
