

O'Connor High School Advanced English II Summer Reading

Welcome to Advanced English II!

Reading is one of the best things you can do to prepare yourself for the challenges of the upcoming school year. Enjoying a good book will help expand your vocabulary, deepen critical thinking, and enhance focus and imagination. Equally important, reading is the very best way to strengthen your writing skills!

As a Northside Advanced English student, we ask that you choose one memoir from this list this summer to read. There is no assignment other than to read, but pay close attention to these [literary and rhetorical devices](#) as you go. You will need access to a copy of your selection during the first quarter so that you are ready to discuss and work with your book.

The following titles are included to give you plenty of options. They are books that are popular in the library, award winners, or recommended by teachers. The books marked by an asterisk (*) indicate those on the Northside approved book list. Other titles may contain adult themes and content, so we encourage you to do some research before selecting a title.

You can check out digital books on Sora through your school library, or through Libby from the public library. Happy Reading!
