Mr. Thomas Buente welcomed all the parents, students, and staff to our annual Title I information meeting, as well as the PTA Mtg and Ice Cream Social. He thanked all the parents for taking time out of their busy schedules to attend our Title 1 meeting. Mr. Buente described what Title I is and what it means to our school. He explained that Title I money comes from the Federal government and that it is targeted to assist economically disadvantaged students as determined by the number of students on free and reduced lunch. He emphasized that Title I money is to be used for core academic areas. Examples of what we are doing with our Title I money were also given. Mr. Buente stated that our Reading Specialist, Math Specialists, Math Instructional Assistant, Tutoring, Substitutes, Teacher Training, as well as Supplemental Materials are all provided with Title I funds. The meeting was adjourned.

Parents were encouraged to attend the Ice Cream Social with their students in the Howsman cafeteria, where teachers would be scooping ice cream and toppings for all students and families!
