

STRATEGIC PRIORITIES

Benchmark	Priority	Strategies
3: TARGET POPULATION	Refine recruitment strategies to ensure enrollment of students who are historically underrepresented in higher education.	<p>Collaborate with middle school counselors and teachers for recruitment.</p> <p>Host targeted family information nights with translation services and accessible materials.</p>
4: ACADEMIC INFRASTRUCTURE	Improve TSI readiness and mastery through targeted interventions and progress monitoring.	<p>Utilize the district's curriculum-embedded interventions.</p> <p>Track data to ensure (1) sophomores are on track to be TSI ready through course work (HIST); and (2) interventions are in place for Math portion of TSI.</p> <p>Integrate focused TSI support into bridge program.</p>
5: STUDENT SUPPORTS	Increase access to academic tutoring aligned to college coursework and TSIA2 readiness.	<p>Offer scheduled tutoring sessions before and after school with certified teachers and content specialists.</p> <p>Partner with IHE to provide dual credit course-specific tutoring, including online options.</p>
